The Cambridge Introduction to Franz Kafka Carolin Duttlinger, 2013-06-27 Franz Kafka 1883-1924 is one of the most influential of modern authors whose darkly fascinating novels and stories where themes such as power punishment and alienation loom large have become emblematic of modern life This Introduction offers a clear and accessible account of Kafka's life work and literary influence and overturns many myths surrounding them His texts are in fact far more engaging diverse light hearted and ironic than is commonly suggested by clichés of the Kafkaesque And once explored in detail they are less difficult and impenetrable than is often assumed Through close analysis of their style imagery and narrative perspective Carolin Duttlinger aims to give readers the confidence to re-discover Kafka's works without constant recourse to the mantras of critical orthodoxy In addition she situates Kafka's texts within their wider cultural historical and political contexts illustrating how they respond to the concerns of their age and of our own

Franz Kafka in Context Carolin Duttlinger, 2018 Accessible essays place Kafka in historical political and cultural context providing new and often unexpected perspectives on his works

The Metamorphosis and Other Stories Franz Kafka, Joyce Crick, 2009-07-09 When Gregor Samsa woke one morning from uneasy dreams he found himself transformed into some kind of monstrous

vermin With a bewildering blend of the everyday and the fantastical Kafka thus begins his most famous short story The Metamorphosis A commercial traveller is unexpectedly freed from his dreary job by his inexplicable transformation into an insect which drastically alters his relationship with his family Kafka considered publishing it with two of the stories included here in a volume to be called Punishments The Judgement also concerns family tensions when a power struggle between father and son ends with the father passing an enigmatic judgement on the helpless son The third story In the Penal Colony explores questions of power justice punishment and the meaning of pain in a colonial setting These three stories are flanked by two very different works Meditation the first book Kafka published consists of light whimsical often poignant mood pictures while in the autobiographical Letter to his Father Kafka analyses his difficult relationship in forensic and devastating detail ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

A Companion to the Works of Franz Kafka James Rolleston, 2006 Essays by leading scholars on the most perplexing of modern writers Franz Kafka Franz Kafka Ronald Gray, 1973-02-22 This 1973 text provides a critical introduction to the writings of Franz Kafka Within it Ronald Gray surveys the novels and short stories and glances also at the religious or confessional writings He presents a persuasive and coherent account of Kafka s personal and artistic development and its meaning and value for us Dr Gray argues that the early short stories are most finished and controlled here Kafka recognised and managed to find a form exactly fitting his own condition and the writing is less compulsive and obsessional than it became later Dr Gray quotes extensively translating specifically for the purpose He writes for all whose who read Kafka especially the many who read him in translation and would like a helpful and shrewd guide to understanding Kafka s work hauntingly expresses one whole area of the modern mind its anguish dissociation and guilt and this sane and sympathetic book puts him into a humane perspective

Contemplation Franz Kafka, 2016-08-22 Contemplation is a collection of 18 pieces of short prose by Franz Kafka and was published late in the year of 1912 This was Kafka s first published book and was picked up by publishing house Rowohlt which at the time was quite young The small collection bears the dedication For M B for Kafka s friend Max Brod Contents Children on the Country Road Unmasking of a Trickster The Sudden Walk Resolutions The Excursion to the Mountains The Misfortune of the Bachelor The Merchant Scattered Look Beyond The Way Home The Passers By The Passenger Clothes The Rejection For the Amateur Jockeys Contemplation The Alley Window The Wish to Become an Indian The Trees Being Unhappy Franz Kafka and his Prague Contexts Marek Nekula, 2016-03-01 Franz Kafka is by far the Prague author most widely read and admired internationally However his reception in Czechoslovakia launched by the Liblice conference in 1963 has been conflicted While rescuing Kafka from years of censorship and neglect Czech critics of the 1960s overwrote his German and Jewish

literary and cultural contexts in order to focus on his Czech cultural connections Seeking to rediscover Kafka's multiple backgrounds in *Franz Kafka and His Prague Contexts* Marek Nekula focuses on Kafka's Jewish social and literary networks in Prague his German and Czech bilingualism and his knowledge of Yiddish and Hebrew Kafka's bilingualism is discussed in the context of contemporary essentialist views of a writer's organic language and identity Nekula also pays particular attention to Kafka's education examining his studies of Czech language and literature as well as its role in his intellectual life The book concludes by asking how Kafka read his urban environment looking at the readings of Prague encoded in his fictional and nonfictional texts Nekula's work has had a major impact on our understanding of Kafka's relation to the complex social cultural and linguistic environment of early twentieth century Prague While little of this work has been available in English until now the present volume translates many of his most important studies and includes revisions and expansions appearing now for the first time Nekula challenges stubborn clichés and opens important new perspectives readers interested in questions relating to Kafka and Prague will find this an essential and richly rewarding book Peter Zusi University College London

Marek Nekula's important book originally situates Franz Kafka within his Prague and Czech contexts It critically examines numerous distortions that accompanied the reception of Kafka starting with the central issue of Kafka's languages Kafka's Czech Prague German and the ideological discourse surrounding the author in communist Czechoslovakia Astute and carefully argued *Franz Kafka and his Prague Contexts* offers new perspectives on the writings of the Prague author This book will benefit readers in German and Slavic Studies in Comparative Literature and History of Ideas Veronika Tuckerov Harvard University

Mediamorphosis Shai Biderman, Ido Lewit, 2016-02-26 The idea of a visual manifestation of the work of Franz Kafka was denied by many first and foremost by Kafka himself who famously urged his publisher to avoid an image of an insect on the cover of *Metamorphosis* Be that as it may it is unlikely that such a central progenitor of twentieth century art and thought as Kafka can be fully understood without reference to the revolutionary artistic medium of his century cinema *Mediamorphosis* compiles articles by some of today's leading forces in the scholarship of Kafka as well as film studies to provide a thorough investigation of the reciprocal relations between Kafka's work and the cinematic medium The volume approaches the theoretical integration of Kafka and cinema via such issues as the cinematic qualities in Kafka's prose and the possibility of a visual manifestation of

the Kafkaesque Alongside these debates the book investigates the capacity of cinema to incorporate and express the unique qualities of a Kafkaesque world through an analysis of cinematic adaptations of Kafka's prose such as Michael Haneke's *The Castle* 1997 and Straub Huillet's *Class Relations* 1984 as well as films that carry a more subtle relation to Kafka's oeuvre such as the cinematic works of David Cronenberg the films of the Coen brothers Chris Marker's film essay Charlie Chaplin's tramp and others
