Between Heaven And Here:

Between Heaven and Earth Steve Berger, 2014-03-04 Be Transformed by a Glimpse of Paradise What will heaven be like What will we do Who will we see How can I become more excited about heaven as my true home Is it possible that knowing more about heaven will result in greater joy and purpose in my daily life It's not easy separating fact from fiction when it comes to heaven nor is it always easy to see how the afterlife can affect our lives today After a car accident caused his nineteen year old son to unexpectedly enter heaven Pastor Steve Berger chose to reject despair and commit himself to carefully studying his son's new eternal home He had no idea how much there was to learn and his life hasn't been the same since This biblical and deeply personal study of heaven will give you hope for the future But more than that it will show you what it means to live today in light of the reality of heaven If your view of heaven isn't life changing it needs to be adjusted Let Pastor Berger's exploration of eternity fill you with overflowing hope courage and purpose Sometimes we feel stuck stuck between the hope of heaven and the pain of this world In *Between Heaven and Earth* my friend Steve Berger shows us how to not only live in that tension but how and why we should embrace it Dave Ramsey New York Times bestselling author and nationally syndicated radio show host I grew up hearing people say Some Christians are so heavenly minded they are of no earthly good Nowadays it seems like the church has become so earthly minded we're of no heavenly good In *Between Heaven and Earth* my friend Pastor Steve Berger shows us the absolute necessity of having a heavenly mind set Colossians 3:1-2 in order to make a real difference in people's lives while we remain on earth Embrace the truths of this book learn how to have your heart in heaven and your hand in the harvest It's one decision you'll never regret Jeremy Camp When my friend Steve Berger talks about heaven I sit up and listen I've walked with Steve as he's faced the trials of this life and I've observed how he has emerged with a deeper faith and love for the Father and the people around him What he has taught me makes me long for heaven It also makes me want to spend my time on earth making a difference and finishing well Michael W Smith A beloved pastor and teacher Steve Berger taught for years on the reality of heaven even as we serve Christ on earth never knowing that one tragic event would bring both realities irrevocably into sharp focus in a moment Some of God's greatest mysteries are wrapped up in tragedy but the tear stained wisdom mined in that darkness is a gift to us all In this marvelous book heaven will become a greater reality even as we are invited to live our lives on earth with greater passion Sheila Walsh author of *The Storm Inside* Steve has a rich compelling perspective on Glory that will give you fresh grace to lean into the perfect love of Jesus today Therefore I encourage readers not to stop at just one instead buy a whole case of these puppies and pass them out to all your friends and family Lisa Harper author Bible teacher and Women of Faith speaker In stark contrast to the Bible and the whole of Christian history today's believers think little about heaven and much about the comforts challenges and distractions of this life In this much needed corrective Pastor Steve Berger challenges and equips us to be more heavenly minded so we can in fact be more earthly good Michael Hyatt New York Times bestselling author

The Woman and the Dragon; Or, The Conflict Between Christianity and Paganism: Being an Exposition of the Twelfth Chapter of the Apocalypse. With Appendix John Phillips Gurney, 1851

The New Jerusalem in the Book of Revelation Pilchan Lee, 2001 There is a development between expectation for the rebuilding of the New Jerusalem Temple in the Old Testament and the coming of the New Jerusalem Temple in Revelation In Revelation there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem the New Jerusalem is the descent of the Heavenly Jerusalem Moreover there is no Temple building which was expected as the eschatological promise in the Old Testament but rather God and the Lamb is the Temple How can this shift be explained Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation He assumes that as the exegetical tradition the early Jewish apocalyptic literature functions as a key element for forming the idea of the New Jerusalem in Revelation John s main argument is that the church which is symbolized by several images is placed in heaven now chapters 4 20 and the church which is symbolized by the New Jerusalem will descend to the earth from heaven in the future 21 22

The Many and the One Yonghua Ge, 2021-05-03 How God relates to the world lies at the heart of the most intense debates in modern theology and philosophy Movements of Nouvelle Th ologie process theology radical orthodoxy modern Trinitarian theology and postmodern theology i e Jean Luc

Marion all seek to reconsider God's relation to the world as a corrective of what they perceive as problematic. Of particular significance is the recent revival of the theology of participation as promoted by Radical Orthodoxy in UK and Hans Boersma in North America. Facing excessive secularism and fragmentation of the modern Western world, Radical Orthodoxy and Boersma resort to the pre-modern theology of participation as the way forward. Relying heavily on Platonism, however, their participatory theology, as critics pointed out, tends to compromise the intrinsic goodness of the creation. In this book, Ge proposes that a distinctively Christian theology of participation anchored in *creatio ex nihilo* developed by Augustine and brought to the fore by Aquinas provides a more promising solution which not only secures the unity of things in God but also the goodness of creaturely plurality. Since participation in its origin is a solution to the problem of the One and the Many, Ge employs Gunton's framework of the one and the many in his discussion of Augustine and Aquinas's theologies of participation. By reshaping their concepts of participation in the light of the doctrine of creation, Ge argues these thinkers have profoundly transformed the metaphysics of participation, making it finally more suitable for describing the unique relationship between God's unity and creaturely plurality. This Christian metaphysics of participation is not only an advance on Radical Orthodoxy and Boersma but also superior to competing theories of reality such as pluralism and reductionist physicalism. The book will also bring out implications for modern science-religion dialogues, the core of which concerns how God relates to the world.

Between the Beginning and the End J. H. Bavinck, 2014-09-26. Radical, comprehensive vision of the kingdom of God in light of the new creation. Twentieth-century Dutch missiologist and prolific author J. H. Bavinck was committed to confronting the world with the saving message of Christ. In this first English translation of the Dutch work published in 1946, Bavinck presents a cosmic kingdom vision and champions the coming of the kingdom of Christ as the basic message of the gospel. Bavinck eloquently challenges believers to live as kingdom people as he expresses a uniquely Reformed perspective on the eternal significance of our temporal world. His eschatological vision, which permeates the book, is now more relevant than ever as climate change, resource depletion, financial turmoil, and other issues increasingly threaten our world. With Bert Hielema's skillful translation capturing the beauty and power of Bavinck's original text, *Between the Beginning and the End* calls all Christians to consider anew the entire scope of the church and Christ's kingdom.
