Gathering Together Rodney Wallace Kennedy, Derek C. Hatch, 2013-08-27 Concerned to think intentionally about liturgy in Baptist life and thought this book aims to address the practices of Christian worship in a theological light examining how each brings individual Christian believers and communities of faith to a greater understanding and embodiment of the gospel In this mode worship becomes a seamless garment that forms disciples of Christ and opens out toward the world In short theology worship and mission all intersect in the liturgical life of the body of Christ In addition to theological engagement with liturgical practices Gathering Together links reflection to praxis by offering sample patterns as a guide for reenvisioning the shape of Baptist and other free church worship

Preaching Effectively, Revitalizing Your Church Guerric DeBona, 2009 Preaching Effectively Revitalizing Your Church offers a practical and theological guide to effective preaching Guerric DeBona an experienced and respected teacher of homiletics uses the metaphor of a ladder to describe the ascent up seven rungs that constitute the strategies of preaching Beginning with advice on discovering a personal theology of preaching the author proceeds to unlock the power of the Bible and the liturgy He then guides preachers in creating a unified homily and in discovering a homiletic method that best suits their own intellect and

temperament Chapters on communicating in contemporary culture and on globalizing the homily for the New Evangelization are vital for coming to grips with the technological age and the often bewildering diversity of today's world Finally DeBona challenges readers to recognize and confront their own obstacles to effective preaching Each chapter ends with questions to assist preachers in appropriating the material With bad homilies consistently cited as a factor in declining church attendance *Preaching Effectively Revitalizing Your Church* answers a very pressing need especially in view of the papacy's urgent call to rescue traditionally Christian countries from the brink of total secularization Book jacket

Pastoral and Theological Commentary on the Order of Christian Initiation of Adults Various contributors, including Paul Turner, Elizabeth Simcoe, 2024-07-05 The recent retranslation and US adaptation of the Order of Christian Initiation of Adults can be seen as the work of the Second Vatican Council continuing to unfold fulfilling the council's mandate to draw up texts and rites so that they express more clearly the holy things that they signify Sacrosanctum concilium 21 In this present volume A Pastoral and Theological Commentary on the Order of Christian Initiation of Adults fourteen authors all scholars and pastoral ministers steeped in the Church's living liturgical tradition help us appreciate this unfolding more deeply by presenting the historical development and theological significance of the OCIA rites and texts thus enriching our pastoral practice Introductory essays present a contextual foundation including discussion of historical and theological roots and an exposition of Christian Initiation General Introduction Then following the structure of the OCIA eight chapters of commentary concentrate on each stage of Christian initiation from acceptance into the Order of Catechumens through the Period of Mystagogy including chapters on the Rites for Particular Circumstances Further commentaries on the musical enrichment of the rites and on the newly revised National Statutes for the Catechumenate round out this panoramic yet accessible view of the rites of the OCIA This book is for anyone ministering in or studying Christian initiation We believe it offers a deep understanding of the rites for both those long familiar with this process and those fairly new to it For those who wish to pursue further study either casual or in depth a vast array of endnotes and bibliographies offer plenty of suggestions editor Victoria Tufano from the introduction

MUL.BABBAR: The Messiah's Star Dwight Reed Hutchison, 2024-07-19 Was there a star announcing the coming of the Jewish Messiah at the end of the first millennium BC Did wise men come from the east seeking the newly born king of the Jews How can one be sure MUL BABBAR The Messiah's Star approaches the Star of Bethlehem from a Jewish and Babylonian perspective Babylonian astronomy and royal symbolism seem to give clues about the star However the royal celestial signs related to the coming of the Messiah are also connected directly to Judaism and the Bible The Messiah's

star announced the coming of a great king The Greatest of Kings destined to rule the world This book is an updated improved and expanded version of *The Lion Led the Way* by the same author *The Lion Led the Way* Dwight Hutchison,2021-07-07

Was there a meaningful stellar sign over Bethlehem What did it look like to someone looking up at the night sky Did wise men really come from the East seeking Israel s Messiah sometime after the birth of Jesus The biblical account of the wise men and the star that announced the coming of the Messiah of Israel has inspired and puzzled people for two millennia Important aspects of Babylonian astronomy seem to be involved in understanding the star s appearing But in addition *The Lion Led the Way* also explores the men and events from a profoundly Jewish perspective The traditional Jewish names of stars and planets Jewish symbols as well as Jewish dates all seem to be keys to unlocking the mystery of the famous star The star of Bethlehem was not the brightest of the heavenly lights nor was it the most spectacular starry manifestation of all time However it was part of the most meaningful set of celestial events in human history The God of Israel is surprising His ways are not our ways his thoughts are not our thoughts The star gives us a concrete example of God s intervention in the universe Book website www.starofbethlehem.info *Worship* Jeffrey A. Truscott,2011 *As Often As You Eat This Bread* Gregory David Soderberg,2022-11-14

Why can t Christians agree about communion Why is it that in some churches all worship services culminate in a holy meal whereas other churches celebrate this holy supper only once in a while Theologian Gregory Soderberg has researched this question excavating patterns of communion frequency within one of the bigger Christian families the Reformed tradition Despite being the sacrament of unity the eucharist has often been a cause of strife in Christian churches In his study Gregory David Soderberg is the first to focus in depth on communion frequency in the Reformed tradition He concludes that although the 16th century Reformers desired more frequent communion this was balanced by their desire to create mature Christian communities So preachers and church leaders stressed the priority of moral conduct and the importance of understanding what the eucharist meant for Protestants The study analyses sources from the very beginnings of this tradition in 16th century Z rich and Geneva and it follows its trajectories through England and Scotland all the way down to 19th century USA Ultimately it is hoped that understanding the polemics of the past will help churches today to celebrate the sacrament of unity more meaningfully
