Gordon C. Krantz

Between The Testaments:

Between the Testaments Charles F. Pfeiffer, 1974 Between the Testaments David Syme Russell, In most Bibles the period between the Old and the New Testaments is represented by a single blank page which perhaps has symbolic significance From Malachi to Matthew has for long remained vague and unfamiliar to many readers of the Scriptures Many mysteries remain but in recent times much light has been cast on this whole period Exciting new insights have been provided by the writings of numbers of scholars and by some remarkable archaeological discoveries The discovery of the Dead Sea Scrolls caught the popular imagination and engaged the attention of worldwide scholarship In this small volume an attempt is made to review these years in the light of recent study and discoveries and in particular to assess the religious contribution made by that rather strange company of men known as the apocalyptists The purpose of this book is selective rather than exhaustive indicating the part which the apocalyptists had to play within the religious development of Judaism and in the preparation of men s minds for the coming of Christianity **Between the Testaments** David Gregg, 1907 *Between the Testaments* David Syme Russell, 1963 **What Happened Between the Testaments** Gordon C. Krantz, 2010-04-02 This is both a history of Judah during the time between the testaments 400 BC to 1 BC and a number of fictional interludes that flesh out the historical events and people **The Bridge Between the Testaments** Henry Kendall Booth, 1929 Bridge between the Testaments Donald E. Gowan, 1986-01-01 Pittsburgh Theological Monograph Series General Editor Dikran Y Hadidian **Time Between The Testaments** Mark E Braun, 2016-07-01 What happened during the Intertestamental Period Most English translations of the Bible have a couple of blank pages between the Old and New Testaments Maybe they even have a copy of the Apocrypha In reality the time between the last book of the Old Testament Malachi and the first book in the New Testament Matthew was not a brief pause It actually spanned many many years So what happened That s what Time Between the Testaments is all about In this book you ll read about a series of important changes in Jewish life and philosophy including the emergence of religious groups that would challenge Jesus message of salvation As you read this book you ll gain new knowledge of the world in which your Savior taught suffered died and rose again *Between the Testaments* David Gregg, 1907 **Freely Gathered Communities of Faith and the Changes between the Testaments** M. A. Erickson, 2019-10-18 How can we make sense of the seismic shift between the Old and New Testament From the early centuries of Christianity until today many have wrestled with the complex changes between the Testaments and how to make sense of them The discussion and debate is spilling over into new areas today and shows no sign of slowing down In this fresh approach the land the sword and the temple are traced from Old to New Testament in order to find the central reasons for the tremendous changes that took place and are still impacting the world today Freely gathered communities of faith in Christ as seen in their original setting provide a key focal point for unlocking the radical changes that took place
