Dori-Michelle Beeler, Jojan Jonker, 2021-11-20 The authors discuss the religious spiritual healing practice Reiki revealing components of it that help transform the message held by the alleged life force called reiki energy into meaning expressed in efficacy for the recipient s body mind and spirit Components that are analyzed include but are not limited to touch symbols initiation and precepts The practitioner s surrender to a combination of internal and external authority with reiki energy being part of that is a crux in Reiki practice and one means with which practitioners speak of beneficial effect This work contributes to academic knowledge about how practicing a religious or spiritual practice may contribute to one s well being and flourishing life Moreover it explores the question of the nature of Reiki in academic definitions of religion [Quantum Entanglement: a Paranormal Point of View](#) Margaret Rogers Van Coops, 2013-08-13 This is not Albert Einstein For Dummies but The Genius would be proud of the spirit of this book on the Theory of Quantum Entanglement which is an enlightening example of complicated information presented in simple easy to understand terms Through a range of anecdotes and statistical evidence Dr Margaret like a seasoned tour leader takes you on a journey of your mind body and spirit through the vast linked relationships among all forms of creation From the quantum depths of the subatomic worlds to the endless reaches of intergalactic space she binds you to all that is in a comprehensive study of the Oneness and the interconnectedness of everything in it Unlike so many other philosophical and erudite works on Cosmology and Histology this work slides you along easily in plain talk and down to earth examples making you feel like this information was already within you and it was It just takes a little nudge to bring it into your conscious awareness Enjoy [Once Upon a Vampire: An Age-Gap Paranormal Romance](#) Kenzie Skye, Enjoy this spicy vampire romance series by romantasy author Kenzie Skye

She trespassed into my domain now she's mine Katherine should have never stepped foot in my mansion One look at her flushed cheeks pounding pulse that sweet scent of innocence and I was lost I should have let her go I should have wiped her memory clean But I couldn't Now she's trapped in my world trembling beneath my touch begging for things too dark too wicked to speak aloud I try to keep my distance to resist the hunger clawing inside me but she wants the monster in me And when she offers herself up completely her body her blood her soul there's no turning back She says she's ready for forever She has no idea what that means Once Upon a Vampire is a dark obsessive age gap paranormal romance featuring a brooding centuries old vampire who refuses to let his little human go Expect possessiveness filthy seduction and enough bite to leave a mark No cheating no cliffhangers just a wickedly devoted hero who would burn the world for her Once Upon a Vampire is the fifth book in the Spicy Vampire Romances series although all books in this steamy series can be read as standalones For fans of Jessa Kane Ruby Dixon and Candace Ayers this is a HOT romantic story with a guaranteed happily ever after Like all Kenzie Skye's books it features an obsessed hero and an innocent heroine Enjoy

Beloved Dust Robert Davis Hughes, III, 2008-08-15 There has been an explosion of interest in classical Christian spirituality over the past 50 years While a great deal of work has been done on the history of Christian spirituality there has been no full scale theological and pastoral treatment of Christian spiritual life since before the Second Vatican Council Beloved Dust takes a realistic contemporary view of human being as entirely physical dust and shows it immersed in three great tides of the Holy Spirit the traditional threefold rhythm of conversion transfiguration and glory What is unique about Robert Hughes's approach is the effort to root spiritual theology in the doctrine of the Spirit an outgrowth of the renewed interest in the Trinity among both Catholics Karl Rahner and Protestants Robert Jenson Also striking is Hughes's emphasis on ordinary life Here as a married Episcopal priest theologian who brings a distinctly Protestant perspective to a traditionally Catholic enterprise for so long the preserve of celibate priests What he achieves is a new presentation of the traditional teaching in the light of contemporary knowledge and practice

Understanding Religious Conversion Dong Young Kim, 2012-07-20 Understanding Religious Conversion begins with emphasis on the value of respecting religious theological interpretations of conversion while coordinating social scientific studies of how personal social and cultural issues are relevant to the human transformational process It encourages us to bring together the perspectives of psychology sociology anthropology and religious studies into critical and mutually informing conversation for establishing a richer and more accurate perception of the complex phenomenon of religious conversion The case of St Augustine's conversion experience superbly illustrates the complicated and multidimensional process of religious change By critically extending the contributions of the literature within Lewis Rambo's interdisciplinary framework Dong Young Kim presents a more integrated picture of how personal social cultural and religious theological components interact with one another in the process of Augustine's conversion In doing so he has struggled with how to relocate more effectively and practically the conversion narrative of Augustine within the context of

pastoral care and ministry and the field of the academy in order to facilitate a better understanding of the conversion stories of the church members as well as to enhance the experiences of religious conversion within the Christian community
