Beyond a Joke Neil Archer, 2016-10-27 At the opening ceremony for the London 2012 Olympics a global audience of nearly one billion viewers were treated to the unprecedented sight of James Bond meeting Queen Elizabeth II Shortly after the Queen hurled herself out of a helicopter her Union Jack parachute guiding her down to the Olympic Stadium What it is about moments such as these that define both a particular idea of Britishness and a particular type of British film comedy How has British cinema exploited parody as a means of negotiating its sense of identity How does this function within a globalized marketplace and in the face of dominant Hollywood cinema *Beyond a Joke* explores the myriad ways British film culture has used forms of parody from the 1960s to the present day It provides a contextual and textual analysis of a range of works that while popular have only rarely been the subject of serious academic attention from *Morecambe and Wise* to *Shaun of the Dead* to the London 2012 Olympics opening ceremony Combining the methodologies both of film history and film theory *Beyond a Joke* locates parody within specific industrial and cultural moments while also looking in detail at the aesthetics of parody as a mode Ultimately such works are shown to be a form of culturally specific film or televisual product for exporting to the global market in which Britishness shaped in self mocking and ironic terms becomes the selling point Written in an accessible style and illustrated throughout with a diverse range of examples *Beyond a Joke* is the first book to explore parody within a specifically British context and makes an invaluable contribution to the scholarship on both British and global film culture
