Beyond The Rainbow Bridge Nurturing Our Children From Birth To Seven:

Beyond the Rainbow Bridge Barbara J. Patterson, Pamela Bradley, 2000 Beyond the Rainbow Bridge is a treasure house of practical and inspiring wisdom for raising children Based on a successful parent enrichment class led by a seasoned teacher and parent Learn about healthy rhythms creative discipline birthday stories and doll making Appendix with resources and craft instructions Richly illustrated with photographs and pencil drawings For anyone who cares for children *You Are Your Child's First Teacher, Third Edition* Rahima Baldwin Dancy, 2012-08-14 The first book in America to popularize the insights of Rudolf Steiner founder of the Waldorf schools regarding the developmental needs of young children this revised and updated edition offers new ways for parents and educators to enrich the lives of children from birth to age six Today's society often pressures us into overstimulating young children with flashcards workbooks videos and electronic gadgets in a well meaning attempt to give them a head start But children are not little adults they learn and grow in radically different ways at different ages and what we do to help could actually hurt instead Some of the most important learning years happen before your child reaches school In *You Are Your Child's First Teacher* respected Waldorf educator Rahima Baldwin Dancy explains the different stages of learning that children go through from birth to age six giving you the wisdom and understanding to enrich your child's natural development in the right way at the right time A trusted classic for over twenty years this newly revised edition contains updated resources and additional information on discipline early childhood programs toilet training using home life as curriculum and more From language and cognitive development to appropriate toys and nourishing your child's artistic abilities Dancy speaks up for a rational approach to child rearing one that helps children be children while we fulfill our important role as parents and first teachers **You Are Your Child's First Teacher** Rahima Baldwin Dancy, Rahima Baldwin, 2011-03-16 Nowadays parents are bombarded by any number of approaches about how to be with their children *YOU ARE YOUR CHILD'S FIRST TEACHER* introduces a new way of understanding the human being so that parents can be best equipped to serve as their own children's best teachers Chapters include Caring for the Newborn Helping Your Toddler's Development The Development of Fantasy and Creative Play Nourishing Your Child's Imagination Rhythm and Discipline in Home Life Readiness for School and more From the Trade Paperback edition [Raising a Son](#) Don Elum, Jeanne Elum, 2012-01-04 Boys pose special challenges for today's stressed parents In *Raising A Son* the Elums embrace the challenges and the joys of raising boys with compassion commitment experience patience and humor This fully updated and expanded edition follows the psychological development of boys from infancy to young adulthood Look for new sections on media and violence the boy code age appropriate morality the out of control son triggers for aggression when and how to get help coping with guilt the highly sensitive son triggers for withdrawal why he gets overwhelmed hypersensitivity and ADD the right role models **Simplicity Parenting** Kim John Payne, Lisa M. Ross, 2010-08-31 Today's busier faster society is waging an undeclared war on childhood With too much stuff

too many choices and too little time children can become anxious have trouble with friends and school or even be diagnosed with behavioral problems Now internationally renowned family consultant Kim John Payne helps parents reclaim for their children the space and freedom that all kids need for their attention to deepen and their individuality to flourish Simplicity Parenting offers inspiration ideas and a blueprint for change Streamline your home environment Reduce the amount of toys books and clutter as well as the lights sounds and general sensory overload Establish rhythms and rituals Discover ways to ease daily tensions create battle free mealtimes and bedtimes and tell if your child is overwhelmed Schedule a break in the schedule Establish intervals of calm and connection in your child s daily torrent of constant doing Scale back on media and parental involvement Manage your children s screen time to limit the endless deluge of information and stimulation A manifesto for protecting the grace of childhood Simplicity Parenting is an eloquent guide to bringing new rhythms to bear on the lifelong art of raising children *Seasons of Joy* Claudia Marie Lenart,2017-04-14 **Raising a Daughter** Jeanne Elum,Don Elum,2011-02-23 Girls are born believing that they can do anything but our media driven culture of mixed messages and conflicting values can make growing up a confusing and risky business And for parents it is a daunting responsibility to raise confident independent daughters while still keeping them safe Jeanne and Don Elum address such complex challenges as peer pressure and evolving social roles emotional effects of physical changes moodiness eating disorders and depression the consequences of early sexuality the gender gap between girls and boys new research on ADD and ADHD in girls daughters and single parenting Raising A Daughter guides parents through each stage of a girl s development from infant to toddler through middle childhood the teen years and on into early adulthood A bestseller since 1994 this newly revised classic offers a practical exploration of what it means to have a daughter and a compassionate study of what it means to be a woman coming of age in today s world **RHYTHMIC PARENTING** Salone Zutshi,Aprajita D. Sadhu,2025-06-02 Today children are entering a world that values speed and efficiency above all else the opposite of what they need to become human beings Our materialist hi tech culture fails to support children through their primary task in the first seven years forming the physical body Instead it creates little adults who are prematurely intellectualized uneasy in their bodies and ill prepared to become physically strong emotionally resilient freethinking individuals To bridge the gap this book Educates parents about the consciousness of a young child who lovingly absorbs all impressions from the environment to develop as a physical being Alerts parents to intense impressions such as screen use academic learning and adultification bias that are hard for children to assimilate Awakens parents to understand difficult behaviours as manifestations of undigested impressions and Empowers parents to create a healthy rhythm of growth by preventing intense inbreaths as well as balancing these with outbreaths such as time in nature free play chores and plentiful rest Rhythmic Parenting reclaims children s right to fulfil their highest human potential and places parents at the forefront of this mission *Nature and the Human Soul* Bill Plotkin,2010-10-04 Addressing the pervasive longing for meaning and fulfillment in this time of crisis Nature

and the Human Soul introduces a visionary ecopsychology of human development that reveals how fully and creatively we can mature when soul and wild nature guide us Depth psychologist and wilderness guide Bill Plotkin presents a model for a human life span rooted in the cycles and qualities of the natural world a blueprint for individual development that ultimately yields a strategy for cultural transformation If it is true as Plotkin and others observe that we live in a culture dominated by adolescent habits and desires then the enduring societal changes we so desperately need won t happen until we individually and collectively evolve into an engaged authentic adulthood With evocative language and personal stories including those of elders Thomas Berry and Joanna Macy this book defines eight stages of human life Innocent Explorer Thespian Wanderer Soul Apprentice Artisan Master and Sage and describes the challenges and benefits of each Plotkin offers a way of progressing from our current egocentric aggressively competitive consumer society to an ecocentric soul based one that is sustainable cooperative and compassionate At once a primer on human development and a manifesto for change Nature and the Human Soul fashions a template for a more mature fulfilling and purposeful life and a better world Well Balanced Child Sally,2014-10-10 The Well Balanced Child is a passionate manifesto for a e whole bodye approach to learning which integrates the brain senses movement and play This fully revised edition includes a new chapter with a story and movement exercise that parents can use to help children reach their potential
