Kaushik Roy, Sourish Saha

Beyond Duty Life On The Frontline In Iraq:

Beyond Duty Shannon Meehan, 2009-09-15 Under the blazing Iraqi sun in the summer of 2007 Shannon Meehan a lieutenant in the U S Army ordered a strike that would take the lives of innocent Iraqi civilians He thought he was doing the right thing He thought he was protecting his men He thought that he would only kill the enemy but in the ruins of the strike he discovers his mistake and uncovers a tragedy This is the true story of one soldier s attempt to reconcile what he has done with what he felt he had to do Stark and devastating it recounts first hand the reality of a new type of warfare that remains largely unspoken and forgotten on the frontlines of Iraq

Beyond Duty Shannon Meehan, 2013-04-30 Under the blazing Iraqi sun in the summer of 2007 Shannon Meehan a lieutenant in the U S Army ordered a strike that would take the lives of innocent Iraqi civilians He thought he was doing the right thing He thought he was protecting his men He thought that he would only kill the enemy but in the ruins of the strike he discovers his mistake and uncovers a tragedy For most of his deployment in Iraq Lt Meehan felt that he had been made for a life in the military A tank commander he worked in the violent Diyala Province successfully fighting the insurgency by various Sunni and Shia factions He was celebrated by his senior officers and decorated with medals But when the U S surge to retake Iraq in 2006 and 2007 finally pushed into Baqubah a town virtually entirely controlled by al Qaida Meehan would make the decision that would change his life This is the true story of one soldier s attempt to reconcile what he has done with what he felt he had to do Stark and devastating it recounts first hand the reality of a new type of warfare that remains largely unspoken and forgotten on the frontlines of Iraq

Blunt Traumas: Negotiating Suffering and Death Nate Hinerman, Holly Lynn Baumgartner, 2019-07-22 This volume was first published by Inter Disciplinary Press in 2016 From the ridicule of Emo culture on YouTube to the minute joys of the Happy Hour Trolley in an Australian palliative care setting responses to suffering and death range from avoidance to eradication Blunt Traumas thoughtfully engages these topics with compassion and brutal honesty Contributors across the spectrum of professions using a variety of methodologies including case studies fieldwork systematic philosophy and historical and textual analysis all respond to the orienting question How does culture impact co create and or produce suffering Their inter and multi disciplinary perspectives are divided into two sections The first Public Perceptions of Death Dying and Suffering closely examines human interactions with and performance of technologies of suffering from wireless to religious dead baby bloggers to wounded warriors The second half of the book focuses on the The Sufferer s Right to Choose whether that concerns end of life decisions medical technologies or narratives of self Together these chapters provide greater intelligibility on and provocative discussions about the oft ignored or buried discourses of suffering and dying

Armed Forces and Insurgents in Modern Asia Kaushik Roy, Sourish Saha, 2016-03-31 This volume traces the historical roots and evolution of insurgencies and counter insurgencies in modern Asia Focusing on armed rebellions and use of armed forces by both Western powers and indigenous states from the nineteenth century till present day the volume unravels the problematic of

change continuity and addresses key questions on the nature of warfare The book looks at eight different regions of Asia US counter insurgencies in Philippines the British initiative in Indonesia and independent Indonesia s counter insurgency against its domestic populace post World War II Malaya French and US war in Vietnam British and Indian counter insurgencies in North East India between the nineteenth and early twenty first century Indian and Sri Lankan operations in Sri Lanka during late twentieth and early twenty first centuries British and US NATO war in Afghanistan from the nineteenth century till 2014 and British and US counter insurgency in Iraq during the twentieth and first two decades of the twenty first centuries The volume will greatly interest scholars and researchers of modern Asian history military and strategic studies politics and international relations as well as government institutions and think tanks

Invisible Wounds of War Marguerite Guzman Bouvard, 2012-07-24 There s no real homecoming for many of our veterans returning from the wars in Iraq and Afghanistan They may go through the motions of daily life in their hometowns but the terrible sights and sounds of war are still fresh in their minds This empathic inside look into the lives of our combat veterans reveals the lingering impact that the longest wars in our nation s history continue to have on far too many of our finest young people Basing her account on numerous interviews with veterans and their families the author examines the factors that have made these recent conflicts especially trying A major focus of the book is the extreme duress that is a daily part of a soldier s life in combat zones with no clear frontlines or perimeters Having to cope with unrecognizable enemies in the midst of civilian populations and attacks from hidden weapons like improvised explosive devices exacts a heavy toll Compounding the problem is the all volunteer nature of our armed forces which often demands multiple deployments of enlistees This results in frequent cases of post traumatic stress disorder and families disrupted by the long absence of one and sometimes both parents The author also discusses the lack of connectedness between civilian society and military personnel leading to inadequate healthcare for many veterans This deficiency has been highlighted by the urgent need to treat traumatic brain injuries in survivors of explosions and the high veteran suicide rate Bouvard concludes on a positive note by discussing some of the surprising and encouraging ways that the chasm between civilian and military life is being bridged to help reintegrate our returning soldiers For veterans their families and especially for civilians unaware of how much our soldiers have endured The Invisible Wounds of War is important reading

New Wars and New Soldiers Asst Prof Jessica Wolfendale, Dr Paolo Tripodi, 2013-03-28 Modern conflicts now bear little relation to traditional wars between states The threat of terrorism the creation of new military technologies the rise of private military companies and the increasing involvement of the military in counter terrorism and humanitarian operations all pose challenges to traditional ideas about the ethics of war the relevance of current international law governing armed conflict and Just War theory How then should military ethics approach these new forms of conflict Modern military ethics now includes work from disciplines as diverse as philosophy history sociology international relations politics and psychology This diversity of approaches suggests that the approach to contemporary military ethics that is best

suited to understanding the wars of today is a broad multidisciplinary vision. By bringing together contributors from philosophy, international relations, security studies, and strategic studies, this volume offers just such an interdisciplinary analysis. The chapters in this volume explore the ethical issues posed by recent developments in both the nature and conduct of war as well as focusing on the role and needs of modern military personnel. This comprehensive approach allows the reader to see the broad scope of modern military ethics and to understand the numerous questions about modern conflict that require critical scrutiny. Aimed at both military and academic audiences, this volume will be of significant interest to researchers and students in philosophy, sociology, military and strategic studies, international relations, politics, and security studies.

Handbook of the Sociology of Morality Steven Hitlin, Stephen Vaisey, 2010-10-17 Human beings necessarily understand their social worlds in moral terms, orienting their lives, relationships, and activities around socially produced notions of right and wrong. Morality is sociologically understood as more than simply helping or harming others; it encompasses any way that individuals form understandings of what behaviors are better than others, what goals are most laudable, and what proper people believe, feel, and do. Morality involves the explicit and implicit sets of rules and shared understandings that keep human social groups intact. Morality includes both the shoulds and should-nots of human activity, its proactive and inhibitive elements. At one time, sociologists were centrally concerned with morality issues like social cohesion, values, the goals and norms that structure society, and the ways individuals get socialized to reproduce those concerns. In the last half century, however, explicit interest in these topics has waned, and modern sociology has become uninterested in these matters, and morality has become marginalized within the discipline. But a resurgence in the topic is happening in related disciplines: psychology, neurology, philosophy, and anthropology, and in the wider national discourse. Sociology has much to offer but is not fully engaged in this conversation. Many scholars work on areas that would fall under the umbrella of a sociology of morality but do not self-identify in such a manner nor orient their efforts toward conceptualizing what we know and should know along these dimensions. The *Handbook of the Sociology of Morality* fills a niche within sociology, making explicit the shared concerns of scholars across the disciplines as they relate to an often overlooked dimension of human social life. It is unique in social science as it would be the first systematic compilation of the wider social, structural, cultural, cross-national, organizational, and interactional dimension of human moral understanding, broadly thought, feeling, and behavior.

Dirty Wars Simon Innes-Robbins, 2016-10-06 Who is the enemy? This is the question most asked in modern warfare gone are the set-piece conventional battles of the past. Once seen as secondary to more traditional conflicts, irregular warfare, as modified and refashioned since the 1990s, now presents a major challenge to the state and the bureaucratic institutions which have dominated the twentieth century, and to the politicians and civil servants who formulate policy. Twenty-first century conflict is dominated by counterinsurgency operations where the enemy is almost indistinguishable from innocent civilians. Battles are gunfights in jungles, deserts, and streets; winning hearts and minds is as important as holding territory.

From struggles in South Africa the Philippines and Ireland to operations in Iraq Afghanistan and Chechnya this book covers the strategy and doctrine of counterinsurgency and the factors which ensure whether such operations are successful or not Recent ignorance of central principles and the emergence of social media which has shifted the odds in favour of the insurgent have too often resulted in failure leaving governments and their security forces embedded in a hostile population immersed in costly and dangerous nation building

Generation Vet Sue Doe, Lisa Lanstraat, 2014-04-15 Institutions of higher education are experiencing the largest influx of enrolled veterans since World War II and these student veterans are transforming post secondary classroom dynamics While many campus divisions like admissions and student services are actively moving to accommodate the rise in this demographic little research about this population and their educational needs is available and academic departments have been slower to adjust In Generation Vet fifteen chapters offer well researched pedagogically savvy recommendations for curricular and programmatic responses to student veterans for English and writing studies departments In work with veterans in writing intensive courses and community contexts questions of citizenship disability activism community campus relationships and retention come to the fore Moreover writing intensive courses can be sites of significant cultural exchanges even clashes as veterans bring military values rhetorical traditions and communication styles that may challenge the values beliefs and assumptions of traditional college students and faculty This classroom oriented text addresses a wide range of issues concerning veterans pedagogy rhetoric and writing program administration Written by diverse scholar teachers and written in diverse genres the essays in this collection promise to enhance our understanding of student veterans composition pedagogy and administration and the post 9 11 university

Beyond Duty Life On The Frontline In Iraq Introduction

In the digital age, access to information has become easier than ever before. The ability to download Beyond Duty Life On The Frontline In Iraq has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Beyond Duty Life On The Frontline In Iraq has opened up a world of possibilities. Downloading Beyond Duty Life On The Frontline In Iraq provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Beyond Duty Life On The Frontline In Iraq has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Beyond Duty Life On The Frontline In Iraq. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Beyond Duty Life On The Frontline In Iraq. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Beyond Duty Life On The Frontline In Iraq, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Beyond Duty Life On The Frontline In Iraq has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Beyond Duty Life On The Frontline In Iraq Books
