Beyond Obamacare Life Death And Social Policy:

Beyond Obamacare James S. House, 2015-05-31 Health care spending in the United States today is approaching 20 percent of GDP yet levels of U S population health have been declining for decades relative to other wealthy and even some developing nations How is it possible that the United States which spends more than any other nation on health care and insurance now has a population markedly less healthy than those of many other nations Sociologist and public health expert James S House analyzes this paradoxical crisis offering surprising new explanations for how and why the United States has fallen into this trap In *Beyond Obamacare* House shows that health care reforms including the Affordable Care Act cannot resolve this crisis because they do not focus on the underlying causes for the nation s poor health outcomes which are largely social economic environmental psychological and behavioral House demonstrates that the problems of our broken health care and insurance system are interconnected with our large and growing social disparities in education income and other conditions of life and work and calls for a complete reorientation of how we think about health He concludes that we need to move away from our misguided and almost exclusive focus on biomedical determinants of health and to place more emphasis on addressing social economic and other inequalities House s review of the evidence suggests that the landmark Affordable Care Act of 2010 and even universal access to health care are likely to yield only marginal improvements in population health or in reducing health care expenditures In order to rein in spending and improve population health we need to refocus health policy from the supply side which makes more and presumably better health care available to more citizens to the demand side which would improve population health through means other than health care and insurance thereby reducing need and spending for health care House shows how policies that provide expanded educational opportunities more and better jobs and income reduced racial ethnic discrimination and segregation and improved neighborhood quality enhance population health and quality of life as well as help curb health spending He recommends redirecting funds from inefficient supply side health care measures toward broader social initiatives focused on education income support civil rights housing and neighborhoods and other reforms which can be paid for from savings in expenditures for health care and insurance A provocative reconceptualization of health in America *Beyond Obamacare* looks past partisan debates to show how cost efficient and effective health policies begin with more comprehensive social policy reforms

Medical Sociology William C. Cockerham, 2021-09-30 The most comprehensive major academic textbook available on its topic this classic text presents the most important research studies in the field The author integrates engaging first person accounts from patients physicians and other health care providers throughout the text Since its inception this book s principal goal has been to introduce students to the field of medical sociology and serve as a reference for faculty by presenting the most current ideas issues concepts themes theories and research findings in the field This new edition is heavily revised with updated data and important new additions New to this edition A contemporary account of medical sociology s subfields Chapter 1 New chapter

on COVID 19 Chapter 3 Update on the widening gap in life expectancy between the rich and the poor Chapter 4 New chapter on gender and health including the convergence of life expectancy between men and women and its reversal during the COVID 19 pandemic Chapter 5 Updated chapter on aging and expanded discussion of health and race Chapter 6 New developments in doctor patient interaction including telemedicine Chapter 10 The survival of the Affordable Care Act Chapter 16

To Heal Humankind Adam Gaffney, 2017-07-06 The human right to healthcare has had a remarkable rise. It is found in numerous international treaties and national constitutions; it is litigated in courtrooms across the globe; it is increasingly the subject of study by scholars across a range of disciplines; and perhaps most importantly, it serves as an inspiring rallying cry for health justice activists throughout the world. However, though increasingly accepted as a principle, the historical roots of this right remain largely unexplored. *To Heal Humankind: The Right to Health in History* fills that gap, combining a sweeping historical scope and interdisciplinary synthesis. Beginning with the Age of Antiquity and extending to the Age of Trump, it analyzes how healthcare has been conceived and provided as both a right and a commodity over time and space, examining the key historical and political junctures when the right to healthcare was widened or diminished in nations around the globe. *To Heal Humankind* will prove indispensable for all those interested in human rights, the history of public health, and the future of healthcare.

Philosophy of Population Health Sean Valles, 2018-05-11 Population health has recently grown from a series of loosely connected critiques of twentieth century public health and medicine into a theoretical framework with a corresponding field of research: population health science. Its approach is to promote the public's health through improving everyday human life: affordable nutritious food, clean air, safe places where children can play, living wages, etc. It recognizes that addressing contemporary health challenges such as the prevalence of type 2 diabetes will take much more than good hospitals and public health departments. Blending philosophy of science, medicine, public health, ethics, and history, this book offers a framework that explains, analyzes, and largely endorses the features that define this relatively new field. Presenting a philosophical perspective, Valles helps to clarify what these features are and why they matter, including searching for health's upstream causes in social life, embracing a professional commitment to studying and ameliorating the staggering health inequities in and between populations, and reforming scientific practices to foster humility and respect among the many scientists and non-scientists who must work collaboratively to promote health. Featuring illustrative case studies from around the globe, at the end of all main chapters, this radical monograph is written to be accessible to all scholars and advanced students who have an interest in health, from public health students to professional philosophers.

Death by Design Sanyu A. Mojola, 2025-11-04 Throughout its history, Washington D.C. has experienced many of the nation's worst epidemics, including maternal and infant mortality, homicide, heroin overdoses, and HIV/AIDS. And these epidemics have disproportionately affected African Americans. Why and how does such racial health inequality persist and get reproduced? Starting from the city's founding in the late 1700s and tracing into the present, and drawing from multiple

sources including archival material life history interviews and census vital statistics and disease surveillance data this book illustrates how the city's physical social and policy design contributes to the production and reproduction of disproportionate death among African Americans Provided by publisher **The Presidential Election of 2020** William Crotty, 2021-06-28

The Presidential Election of 2020 Donald Trump and the Crisis of Democracy places the election of 2020 within the context of the Trump presidency a chaotic and tense time in American politics and a dangerous one The election is analyzed in depth and its meaning for the state of American society is made clear A major theme in the book is a critique of Donald Trump's leadership his incompetence in office his appeal to followers and the danger this has proven to represent Among other things he was accused of mental instability during his presidency Yet he received the second highest vote total in American history exceeded only by winning candidate Joe Biden's Trump was impeached twice for his actions in office but both times not held responsible for what he had done by a Republican controlled Senate The election is placed in an ongoing context It was followed by strenuous attempts by Trump and associates to have states reverse their results and declare him the winner and by the Trump organized seditious assault on the Capitol in which five people died The objective was to force Vice President Mike Pence who was chairing a Joint Session of Congress normally a formality to instead reject the Electoral College vote outcome Pence would not do it His life and that of Speaker Nancy Pelosi were threatened by the rioters The threat of a coup a new development in American politics and one led by Trump and others who share his views remains Meanwhile President Joe Biden in his efforts to reconstruct America has introduced the most ambitious policy agenda since the New Deal

Health Care Under the Knife Howard Waitzkin, Working Group for Health Beyond Capitalism, 2018-03-15 Disobedience doctor workers unite Howard Waitzkin Becoming employees the deprofessionalization and emerging social class position of health professionals Matt Anderson The degradation of medical labor and the meaning of quality in health care Gordon Schiff and Sarah Winch The political economy of health reform David Himmelstein and Steffie Woolhandler The transformation of the medical industrial complex financialization the corporate sector and monopoly capital Matt Anderson and Robb Burlage The pharmaceutical industry in the context of contemporary capitalism Joel Lexchin Obamacare the neoliberal model comes home to roost in the United States if we let it Howard Waitzkin and Ida Hellander Austerity and health Adam Gaffney and Carles Muntaner Imperialism's health component Howard Waitzkin and Rebeca Jasso Aguilar U S philanthrocapitalism and the global health agenda the Rockefeller and Gates foundations past and present Anne Emanuelle Birn and Judith Richter Resisting the imperial order and building an alternative future in medicine and public health Rebeca Jasso Aguilar and Howard Waitzkin The failure of Obamacare and a revision of the single payer proposal after a quarter century of struggle Adam Gaffney David Himmelstein and Steffie Woolhandler Overcoming pathological normalcy mental health challenges in the coming transformation Carl Ratner Confronting the social and environmental determinants of health Carles Muntaner and Rob Wallace Conclusion moving beyond capitalism for our health Adam Gaffney and Howard Waitzkin **The**

Dysfunctional Politics of the Affordable Care Act Greg M. Shaw, 2017-05-24 While analyzing the contentious debate over health care reform this much needed study also challenges the argument that treating medical patients like shoppers can significantly reduce health expenditures This revealing work focuses on the politics surrounding the Affordable Care Act ACA explaining how and why supporters and opponents have approached the issue as they have since the act s passage in 2010 The first book to systematically examine public knowledge of the ACA across time it also documents how that knowledge has remained essentially static since 2010 despite the importance of health policy reform to every American An important book for anyone concerned about the skyrocketing costs of health care in the United States the work accomplishes three main tasks intended to help readers better understand one of the most important policy challenges of our time The early chapters explain why congressional Democrats designed the Affordable Care Act of 2010 as they did clarifies some of the consequences of the act s features and examines why Republicans have fought the implementation of the law so fiercely The study then looks at how the intersection of economics and politics applies to the ACA Finally the book details what the public knows and doesn t know about the law and discusses the prospects for citizens gaining the knowledge they should have about the overall issue of health policy reform

Handbook of Social Psychology Jan E. Stets, Karen A. Hegtvedt, Long Doan, 2025-08-31 This third edition of the highly successful handbook is presented for the first time in two volumes covering the field of social psychology more comprehensively than earlier including applying social psychology to different areas in sociology It showcases the dynamics of social psychological phenomena across the micro level Volume 1 and meso and macro levels of social reality Volume 2 The reader will see how social psychology can be leveraged at the interactive level within groups and larger units and across many aspects of society thus showing the expansiveness of social psychology in understanding social behavior social organization and social structures Volume 2 highlights the relevance of social psychological principles and processes to social categories groups and organizations at the meso level and to institutions and inequality that reflect social life at the macro level Chapters pertaining to the meso level analyze individuals memberships in social categories such as gender race class age and sexuality Additionally meso level concerns spotlight the context of work and organizations Chapters at the macro level consider social psychologically oriented work in such institutions as the family education and religion and examine other areas such as crime and deviance the media immigration and health Together the two volumes provide the reader with theoretical tools useful in understanding the basics of individual behavior while highlighting how social psychological processes emerge in a variety of contexts The connections among micro meso and macro levels through the lens of social psychology forge new pathways to understanding the various forms of inequality plaguing the social world

Social Isolation and Loneliness in Older Adults National Academies of Sciences, Engineering, and Medicine, Division of Behavioral and Social Sciences and Education, Health and Medicine Division, Board on Behavioral, Cognitive, and Sensory Sciences, Board on Health Sciences Policy, Committee on the Health and Medical Dimensions of Social

Isolation and Loneliness in Older Adults,2020-06-14 Social isolation and loneliness are serious yet underappreciated public health risks that affect a significant portion of the older adult population Approximately one quarter of community dwelling Americans aged 65 and older are considered to be socially isolated and a significant proportion of adults in the United States report feeling lonely People who are 50 years of age or older are more likely to experience many of the risk factors that can cause or exacerbate social isolation or loneliness such as living alone the loss of family or friends chronic illness and sensory impairments Over a life course social isolation and loneliness may be episodic or chronic depending upon an individual s circumstances and perceptions A substantial body of evidence demonstrates that social isolation presents a major risk for premature mortality comparable to other risk factors such as high blood pressure smoking or obesity As older adults are particularly high volume and high frequency users of the health care system there is an opportunity for health care professionals to identify prevent and mitigate the adverse health impacts of social isolation and loneliness in older adults Social Isolation and Loneliness in Older Adults summarizes the evidence base and explores how social isolation and loneliness affect health and quality of life in adults aged 50 and older particularly among low income underserved and vulnerable populations This report makes recommendations specifically for clinical settings of health care to identify those who suffer the resultant negative health impacts of social isolation and loneliness and target interventions to improve their social conditions Social Isolation and Loneliness in Older Adults considers clinical tools and methodologies better education and training for the health care workforce and dissemination and implementation that will be important for translating research into practice especially as the evidence base for effective interventions continues to flourish

Beyond Obamacare Life Death And Social Policy Introduction

In today's digital age, the availability of Beyond Obamacare Life Death And Social Policy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Beyond Obamacare Life Death And Social Policy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Beyond Obamacare Life Death And Social Policy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Beyond Obamacare Life Death And Social Policy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Beyond Obamacare Life Death And Social Policy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Beyond Obamacare Life Death And Social Policy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Beyond Obamacare Life Death And Social Policy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Beyond Obamacare Life Death And Social Policy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Beyond Obamacare Life Death And Social Policy books and manuals for download and embark on your journey of knowledge?

FAQs About Beyond Obamacare Life Death And Social Policy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Beyond Obamacare Life Death And Social Policy is one of the best book in our library for free trial. We provide copy of Beyond Obamacare Life Death And Social Policy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Beyond Obamacare Life Death And Social Policy. Where to download Beyond Obamacare Life Death And Social Policy online for free? Are you looking for Beyond Obamacare Life Death And Social Policy PDF? This is definitely going to save you time and cash in something you should think about.
