

The background of the entire image is a photograph of a sunset. The sun is a bright, glowing orb on the right side of the horizon, casting a long, shimmering reflection across the water. The sky is a gradient of warm colors, from deep orange near the horizon to a lighter, hazy yellow at the top. In the foreground, there are dark, silhouetted reeds or grasses. On the left side, a portion of a sailboat's mast and rigging is visible against the sky.

Meister Eckhart Matthew Fox,2014-06-01 Though he lived in the thirteenth century Meister Eckhart s teachings were in many ways modern His thinking was deeply ecumenical encompassing Judaism Buddhism and Hinduism as well as shamanism and indigenous spirituality He advocated for social economic and gender justice taught about what we call ecology and championed artistic creativity All these elements have inspired Matthew Fox and influenced his Creation Spirituality While Fox recognizes that Eckhart has influenced everyone from Teresa of Avila to Eckhart Tolle Karl Marx to Carl Jung and Annie Dillard to Anne Morrow Lindbergh he also wants to introduce Eckhart to those activists addressing contemporary crises Toward that end and as he did in his Hildegard of Bingen Fox creates metaphorical meetings between Eckhart and the Dalai Lama Thomas Merton Joanna Macy Black Elk Rumi Adrienne Rich and others The result is wonderfully reader friendly profoundly substantive and deeply inspiring **Forthcoming Books** Rose Arny,1991 *Power Without Domination* Eric Grillo,2005-01-01 The volume provides a multidisciplinary approach of the discursive dimension of power It challenges the usual conception of discourse and power that underlies most of the current theories in contemporary discourse analysis and shows that it is unsatisfying in so far as it reduces power to domination and discourse to power technology In opposition to such a conception an alternative model of power in discourse is constructed It is called Dialogical Model in accordance with its being grounded in a dialogical conception of discourse that naturally leads to a participative

conception of power as empowerment Part One provides the DM with theoretical and philosophical foundations while Part Two affords empirical evidence by applying the DM to such typical situations as journalistic discourse under censorship classroom sessions and children interaction in a problem solving situation
