Beyond The Last Blue Mountain:

Beyond the Last Blue Mountain R M Lala, 2017-10-25 An exhaustive and unforgettable portrait of India's greatest and most respected industrialist. Written with J R D Tata's co-operation, this superb biography tells the J R D story from his birth to 1993, the year in which he died in Switzerland. The book is divided into four parts. Part I deals with the early years from J R D's birth in France in 1904 to his accession to the chairmanship of Tata's India's largest industrial conglomerate at the age of thirty-four. Part II looks at his forty-six years in Indian aviation, the lasting passion of J R D's life which led to the initiation of the Indian aviation industry and its development into one of India's success stories. Part III illuminates his half-century long stint as the outstanding personality of Indian industry, and Part IV unearths hitherto unknown details about the private man and the public figure, including glimpses of his long friendships with such people as Jawaharlal Nehru, Mahatma Gandhi, Indira Gandhi, and his association with celebrities in India and abroad.

Beyond the Last Blue Mountain R. M. Lala, 1993 On the life and achievements of J R D Tata, a 1904 industrialist. **Tata** Morgen Witzel, 2010-08-03 A series of high-profile acquisitions including Jaguar, Land Rover, and Corus Steel, together with the launch of the Nano, the world's first Rs 1 Lakh below US 2500 car, is set to change our perception of India on the threshold of becoming a truly global brand. The oldest and most respected corporate brand with a major international presence in a variety of areas including steel, tea, chemicals, communications, and software, Tata now stands 65th in the world brand valuation league. But what is the Tata brand all about? What are its values? How do people perceive it in India and around the world? In this absorbing and informed book, Morgen Witzel digs into the heart of the Tata enterprise, describes its origins, how Tata's reputation and image evolved, and how the group has worked to transform that image into a powerful and valuable brand. **Tata: The Evolution of a Corporate Brand** goes to the core of the Tata ethos to explore the unique relationship between the Tata group and the Indian people, a relationship that goes beyond the achievements of a successful business to its social contributions for its employees and the society at large. Finally, it asks how that reputation will be perceived and understood as Tata moves into global markets. Whether you're an entrepreneur, a manager, a marketer, or an interested Tata loyalist, this book will help you understand the durability of the brand and inspire you with the values it holds onto in the global economy.
