Noblebright Fantasy Goddess Hercules Brothers Coming of Age *Daughter of the Disgraced King* Meredith Mansfield, 2020-08-25

Keep your head down. Don't draw attention. Above all, don't make yourself a target. Those are the rules seventeen-year-old Ailsa lives by. It's just part of being the daughter of the disgraced ex-king and living too close to his more than slightly paranoid successor. The new king's insecurities and repressive policies drive most of the mages out of the kingdom and with them the magic that her desert country urgently needs to survive. Desperate, Ailsa sets out to study magic so she can help keep Far Terra green. But it's not as easy as just learning to use her own magic. She's going to need allies. She's going to need the very kind of political power that is forbidden to mages. She must decide if she can trust her heart and Far Terra's future to the childhood friend who is also the new king's heir. Or she could choose to team up with the fascinating and cheerfully annoying fellow student of magic who it turns out has even higher political connections to the emperor himself. It may take all three of them to bring Far Terra back from the brink.

Romance Magic NobleBright Fantasy Throne Betrayal Treason **Become: To Ride the Storm** Meredith Mansfield, 2020-06-16

As a son of the Goddess, Gaian might become a god himself if he can remember to try. In the conclusion of the Become series, Gaian has no memory of who he is. He can barely remember his own name. The only thing he knows, the only thing he holds onto, is the belief that his purpose is to protect others. That and the certainty that the forest would cause immeasurable harm to others. Everyone else believes Gaian is dead. But they know what he has forgotten: that an ancient prophecy says that a son of the Goddess could become a god, the Sky God, with the right help. At the prompting of a new prophecy, Margan, the son born after Gaian's death, comes over the mountains. There he meets Rose, the girl with a gift for dreams who was once rescued by a strange man in the forest. Together they might have the abilities needed to help Gaian complete his destiny.

Inspired by the legend of Hercules.

Sometimes the gift of the right story to tell at the right time is a blessing. Sometimes it's a curse. But the Norse gods don't leave Astrid much choice either way. On the eve of a desperate battle with her father, lying mortally wounded, the gods give her a story about the first dragon to learn to breathe fire. As usual, the story doesn't come with instructions. It's up to Astrid to decide if the story is meant to calm the frightened children or encourage the dispirited men. Or if she just might be able to do both with the same story. All their lives may depend on her skill with a story.
