Martha Stewart's Favorite Crafts for Kids Editors of Martha Stewart Living, 2013-06-18 *Martha Stewart's Favorite Crafts for Kids* focuses on craft projects that children aged three to twelve can make with their parents. These projects are fun yet serve a practical purpose: children can wear, decorate, and play with what they make. Filled with ideas for a range of ages, skill levels, and interests, this book lets children's creativity run wild while creating precious memories as parents and kids learn and create as a team.

The Pattern Companion Anita Louise Crane, Mary Jo Hiney, Arden Franklin, Mary Morris, Joanne O'Sullivan, 2004 This is for the seamstress who knows her way around a needle and thread but wants more great projects and new techniques to add to her repertoire. Anyone with some experience will find something to delight, instruct, challenge, and inspire, whether it's surmounting a frustrating fitting problem, finding the perfect present, or discovering an ingenious way to make use of vintage linens. Four information-rich sections feature fabulous accessories, eye-catching women's clothing, handsome children's wear, and baby gifts and toys, while the introduction covers everything from tools to measurement charts. Sew an Asian-style eyeglass case, monogrammed memory album, jointed teddy bear doll's clothes, bibs, and burp cloths; a girl's floral dress, chenille jacket, and many other lovely things.

[Fabric-by-Fabric One-Yard Wonders](#) Rebecca Yaker, Patricia Hoskins, 2011-11-16 Presents sewing projects with instructions, photographs, and patterns for home decor and clothing that can be made with a yard or less of fabric.

Zakka Handmades Amy Morinaka, 2013-06 *Zakka* is a Japanese term for the many small household goods that organize our homes and help us with daily tasks. Making these items yourself gives them a personal, meaningful touch that can't be bought.

Crafty Bags for Stylish Girls Elizabeth Ingrid Hauser, 2007 This book offers step-by-step instructions for more than 45 pouches, purses, and packs of all kinds, including many projects that start with ready-made and recycled bags.
