Life After You Magdalene Maveena, 2023-09-23

Life After You is the life of a college girl who finally finds her true self after years of torment and living in the darkness thinking there's no point in being hopeful or to even have an ounce of positivity when she has years of bad experiences along with past trauma to deal with almost every single day of her life until Sometimes it's LOVE that makes up for the ups and downs in life

Oh FML Rooster's Mind, I've been through a lot And it's not just me it's all of us We've all had bad days but sometimes they're so bad that they feel like they'll never end You know what I mean Like when your dog dies and you can't stop crying or when you have a panic attack at the dentist and then you get an infection in your tooth root or when someone calls you ugly on the internet it happens But there is hope Because if I can survive all of this so can you And that's why I'm writing this book to help people who are going through hard times find their way back to happiness and joy again It might seem like there's no way out but there is You just have to keep going until something good happens again That's all
