Burger King , **Brutally Honest Fast Food Reviews: The Best and Worst of Burger King, McDonald's, Taco Bell, and Other Drive-Thru Mainstays** Hyperink Original,2012-07-25 Congratulations If you re a connoisseur of fast food consider this to be your fast food yearbook allowing you to look back at many of the salty fatty and or sugary menu items you may have passed through your digestive system but in a non artery clogging and non blood pressure raising way unless you re eating fast food while reading this There are dozens of reviews in this book mostly from fast food behemoths like McDonald s Subway and Taco Bell but there are also reviews from medium sized fast food chains like Jack in the Box and Dunkin Donuts and from smaller chains like Carl s Jr and Whataburger Most of the products reviewed can still be found on fast food menu boards or in the McDonald s McRib s case it comes back every so often for a limited time but some are buried in the discontinued fast food graveyard never to be consumed again These fast food reviews were originally posted on our blog The Impulsive Buy theimpulsivebuy.com which is one of the internet s premier websites for junk and fast food reviews Actually we re not 100 percent sure the last part of the previous sentence is true but our cumulative blood pressure and cholesterol levels make us feel like we are **Fast Food and Junk Food** Andrew F. Smith,2011-12-02 This fascinating and revealing work examines the incredible power of junk food and fast food how nostalgic we are about them the influence of the companies that manufacture or sell them and their alarming effect on our country s state of health In the last half century junk food and fast food have come to play an extremely important role in American economic historical cultural and social life Today they have a major influence on what Americans eat and how healthy we are or aren t **Fast Food and Junk Food An Encyclopedia of What We Love to Eat** tells the intriguing fun and incredible stories behind the successes of these commercial food products and documents the numerous health related environmental cultural and politico economic issues associated with them With more than 700 alphabetically arranged entries this two volume encyclopedia contains enough listings to allow readers to research a wide range of fascinating topics The author treats the massive amount of subject material within this reference title in a fair and balanced manner A secondary focus of this encyclopedia is to chart the spread of some American fast food chains and commercially produced junk foods internationally Menu Design Albin G. Seaberg,1991-01-16 Here in a single thoroughly updated volume is everything you must know to develop a menu that will dramatically enhance a restaurant s image The Fourth Edition addresses the full spectrum of restaurant establishments and the entire gamut of menu possibilities from the perspective of design **Parents and School Technology** Gerard Giordano,2021-05-15 Parents had reasons to be alarmed about school technology They had been warned that these abuses could influence their children s academic progress motivation communication creativity critical thinking job preparedness and even their safety at school They had been told that it was linked to controversial instruction faulty testing inadequate textbooks and invasive spyware Upset by these claims the parents had numerous questions This book identifies their

questions the groups to which they directed them the answers they elicited and the educational changes they prompted

The Fast Food Zone Pasquale De Marco, In the fast paced world of today fast food has become a staple of our modern lifestyle From bustling city streets to remote rural towns the allure of fast food is undeniable But what is it about this culinary phenomenon that has captured the hearts and taste buds of people around the globe In this comprehensive and engaging book we take a deep dive into the world of fast food exploring its history its culture and its impact on society We will visit the kitchens of some of the world s most popular fast food chains meet the workers who make it all happen and examine the science behind the addictive flavors that keep us coming back for more But fast food is not without its critics Concerns about its health implications its environmental impact and its ethical issues have led to a growing backlash against the industry In this book we will also explore these criticisms and examine the ways in which the fast food industry is responding to them Whether you are a fast food enthusiast or a skeptic this book will provide you with a comprehensive look at this ubiquitous phenomenon We will explore the many facets of fast food from its humble beginnings to its global dominance and we will examine the complex relationship between fast food and society So sit back grab a burger and fries and prepare to embark on a journey into the world of fast food From the first bite to the last we promise you a feast of insights and information that will leave you hungry for more This book is a must read for anyone who wants to understand the cultural social and economic impact of fast food It is also an essential resource for anyone who is interested in the history of food or the future of the food industry If you like this book write a review

Strategic Marketing Russell Abratt, Michael Bendixen, 2018-07-04 This book is a unique collection of comprehensive cases that explore concepts and issues surrounding strategic marketing Chapters explain what strategic marketing is and then discuss strategic segmentation competitive positioning and strategies for growth corporate branding internal brand management and corporate reputation management With case studies from a broad range of global contexts and industries including Burger King FedEx and Twitter readers will gain a working knowledge of developing and applying market driven strategy Through case analysis students will learn to examine the role of corporate business and marketing strategy in strategic marketing recognize the implications of markets on competitive space with an emphasis on competitive positioning and growth interpret the various elements of marketing strategy and apply them to a particular real world situation apply sound decision making strategies and analytical frameworks to specific strategic marketing problems and issues apply ethical frameworks to strategic marketing situations Strategic Marketing Concepts and Cases is ideal for advanced undergraduate and postgraduate students as well as those studying for an MBA or executive courses in strategic marketing or marketing management

Making Fast Food Ester Reiter, 1996 Some say the adventurous days of grueling and dangerous scientific exploration are long gone but Reiter sociology Brock U undertook a 10 month trek without pay into the uncharted wilds of a Burger King kitchen to bring us first hand accounts of the strange and marvellous customs of the natives The illustrations are hilarious Annotation copyrighted by Book News Inc Portland OR

Marketing Semiotics Laura R. Oswald, 2012-02-16 Everyday consumers buy into the concept of brands and their associated meanings the perception of quality a symbolic relationship a vicarious experience or even a sense of identity Marketing Semiotics suggests that the extent to which consumers recognize internalize and relate to brand meanings is not only an academic question These meanings contribute to brand equity the financial value of intangible brand benefits that exceed the use value of goods and impacts upon a firm's financial performance Therefore the management of brand equity demands first and foremost the management of brand meanings or semiotics The book uses structural semiotics a discipline that extends the laws of structural linguistics to the analysis of verbal visual and spatial sign systems to shed light on the cultural codes and discourse of brands It proposes that semiotic research should form the cornerstone of brand equity management since brands rely so heavily on sign systems that contribute to profitability by distinguishing brands from simple commodities from competitors and engaging consumers in the brand world The book includes dozens of global business cases where semiotics has been used to refocus reposition or extend the brand to new products customers and markets Drawing upon twenty years of academic and consulting experience the book provides actionable direction for steering brands through technological and cultural change differentiating brands in the competitive environment and counteracting the natural depletion of brand meaning over time

Quick Service Restaurants, Franchising, and Multi-Unit Chain Management Francis A Kwansa, H.G. Parsa, 2014-06-11 Learn about new strategies to improve service quality and profitability for quick service restaurants Quick Service Restaurants Franchising and Multi Unit Chain Management examines a variety of issues pertaining to quick service restaurants Quick service restaurants QSR are the dominant sector of the foodservice industry and a one hundred billion dollar industry Since their inception in the 1920s quick service restaurants have become one of the cultural icons of America This informative book contains vital information on growth change and strategy in the international foodservice industry food safety as an international problem and the formation of outreach committees to combat the challenges faced globally food consumption patterns and the driving forces that influence consumer food preferences the differences between mature and younger customers expectations and experiences in QSRs casual and fine dining restaurants consumer attitudes toward airline food adding quick service meals to airplane menus factors influencing parental patronage of QSRs a case study on how Billy Ingram founder of White Castle restaurants made the hamburger a staple on American menus
