Origin Narratives Macarena Garcia-Gonzalez, 2017-05-18 The first of its kind this volume unpacks the cultural construction of transnational adoption and migration by examining a sample of recent children s books that address the subject Of all European countries Spain is the nation where immigration and transnational adoption have increased most steeply from the early 1990s onward Origin Narratives The Stories We Tell Children About Immigration and International Adoption sheds light on the way contemporary Spanish society and its institutions re define national identity and the framework of cultural political and ethnic values by looking at how these ideas are being transmitted to younger generations negotiating a more heterogeneous environment This study collates representations of diversity migration and colonial otherness in the texts as well as their reception by the adult

mediators through reviews paratexts and opinions collected from interviews and participant observation In this new work author Macarena Garcia Gonzalez argues that many of the texts at the wider societal discourse of multiculturalism which have been warped into a pedagogical synthesis underwrite the very racism they seek to combat Comparing transnational adoption with discourses about immigration works as a new approach to the question of multiculturalism and makes a valuable contribution to an array of disciplines
