Business Ethics Today Foundations:

Business Ethics Today Peter A. Lillback, 2011-02 Business Ethics Today Foundations is an anthology produced from a Business Ethics Conference which took place in June 2010. Underlying the Conference and this text is the belief that the Protestant Reformation created a culture for business that is fundamental to the commercial world as we know it today. As a society moves away from the acceptance of Christianity, the principles arising from this culture are at risk. Foundations enables a reflection on the core beliefs as articulated in the Westminster Confession of Faith and their impact on doing business. Men like Peter Lillback, Chuck Colson, Wayne Grudem, and Philip Ryken have each written chapters engaging in these important discussions in Business Ethics. With these men and many others, Foundations is a must read for anyone passionate about doing business in God's world. *Business Ethics Today* Phil Clements, Peter Lillback, Wayne

Grudem, 2011-09 Business Ethics Today Stealing is an anthology produced from a Business Ethics Conference which took place in June 2011. Underlying the Conference and this text is the belief that the Protestant Reformation created a culture for business that is fundamental to the commercial world as we know it today. As a society moves away from the acceptance of Christianity, the principles arising from this culture are at risk. Business Ethics Today Stealing enables a reflection on the core beliefs as articulated in the Westminster Larger Catechism, specifically Questions 140, 141, and 142. This text looks at the blessings and curses found in the obedience and disobedience of the 8th Commandment. Men like Peter Lillback, Robert Doll, Wayne Grudem, Bill Edgar, Philip Clements, and Philip Ryken have each written chapters engaging in these important discussions in Business Ethics. With these men and many others, Business Ethics Today Stealing is a must read for anyone passionate about doing business in God's world. **Biblical Perspectives on Business Ethics** Charles Colson, Wayne

Grudem, Peter Lillback, 2012-12-10 Why do good people do bad things? What will happen to our economic principles if we lose our Christian worldview? Does God call some to be in business? How can the church support the business community? Biblical Perspectives on Business Ethics: How the Christian Worldview has Shaped Our Economic Foundations answers these questions and provides a foundation framework of understanding for all those seeking to have a biblical understanding of commerce. This book was born out of a business ethics conference which took place in Philadelphia in 2010. Chuck Colson, Peter Lillback, Philip Ryken, Wayne Grudem, and several others have come together to encourage and strengthen the reader in an informed Christian worldview as it relates to business. **Handbook of the Philosophical Foundations of Business**

Ethics Christoph Luetge, 2012-10-09 The Handbook of Business Ethics: Philosophical Foundations is a standard interdisciplinary reference handbook in the field of business ethics. Articles by notable philosophers and economists examine fundamental concepts, theories, and questions of business ethics. Are morality and self-interest compatible? What is meant by a just price? What did the Scholastic philosophers think about business? The handbook will cover the entire philosophical basis of business ethics. Articles range from historical positions such as Aristotelianism, Kantianism, and Marxism to systematic issues.

Dialogical Foundations of Business Ethics Przemyslaw Rotengruber , Seeking an ethical formula that would prove useful for evaluating actions and events occurring in the sphere of business and economics the author focuses on dialogue The need for dialogue is justified by the fact that interlocutors share a conviction that the relationship between them is valuable Although the manner for assessing business experiences in the proposed formula is narrowed down to the interactive criterion of fairness this criterion is sufficient for enabling partners to agree or for them to reach a consensus It reveals to them the ethically and praxeologically destructive effects of refusing to exchange information about their own accomplishments and plans and sometimes the consequences of refusing to accept responsibility for the process of others taking on the role of business partners *Scripture and the People of God* John DelHousaye, Jeff T. Purswell, John J. Hughes, 2018-10-15 Scripture is the foundation for all of Christian life and ministry but in our current age it is being challenged doubted and in many cases simply ignored Wayne Grudem one of evangelicalism's best known theologians and authors has worked tirelessly throughout his life to demonstrate the necessity sufficiency and centrality of Scripture In his honor Grudem's friends and colleagues including John Piper Thomas R Schreiner Sam Storms Vern S Poythress John M Frame Gregg R Allison Erik Thoennes and John DelHousaye have compiled a series of essays on various topics central to Grudem's life and teaching Exploring topics such as the nature of Scripture the relationship between Scripture and doctrine and the role of Scripture in life and ministry this volume stands as a testimony to the enduring worth of God's Word
