David G. Epstein

Business Law American Casebook Series:

Business Structures David G. Epstein, 2010 This book makes the Business Associations or Corporations course accessible to students whether or not they already know anything about business In a conversational tone the original text and problems emphasize the legal issues that 99% of lawyers will encounter in their professional career The book is organized around the life cycle of a business And while it includes landmark cases the focus is on the legal issues encountered when starting a business growing a business and ending a business This is the only current casebook for an introductory course in business associations that is co authored by a business school professor The book thus consistently and clearly provides students with the business context for understanding the legal issues explored **Corporations and Other Business**

Enterprises Thomas Lee Hazen, Jerry W. Markham, 2006 This law school casebook is designed for use in a variety of corporations and business organizations courses The unabridged edition contains material that makes it suitable for use in advanced courses as well In addition to the law of corporations it includes unincorporated forms of doing business federal securities law issues and specialized treatment of closely held corporations Coverage also includes the role of corporate lawyers mergers and acquisitions and an introduction to corporate finance The casebook includes references to the Model Business Corporation Act and applicable Delaware corporate law **Business Organizations Law and Policy** Jeffrey Bauman, Russell Stevenson, Robert Rhee, 2017 CasebookPlus Hardbound New hardbound print book includes lifetime digital access to an eBook with the ability to highlight and take notes and 12 month access to a digital Learning Library that includes self assessment quizzes tied to this book leading study aids an outline starter and Gilbert Law Dictionary

Corporations and Other Business Enterprises, Cases and Materials Thomas Hazen, Jerry Markham, John Coyle, 2021-05 In addition to the law of corporations the casebook explores the law of partnerships and the law of limited liability companies It contains specialized treatment of fiduciary duties and closely held corporations It addresses the federal securities laws Sarbanes Oxley SEC proxy rules and insider trading The casebook also discusses mergers and acquisitions corporate finance and the role of corporate lawyers in effectuating business transactions Suitable for use in basic as well as advanced courses

The Law of Business Organizations Robert W. Hamilton, Jonathan R. Macey, Douglas K. Moll, 2014 This title covers the law of business associations for introductory courses It discusses business organizations including agency general partnerships closely held corporations publicly held corporations limited partnerships limited liability partnerships and limited liability companies The material on the unincorporated business forms has been revised updated and expanded to reflect the centrality of these forms of business organization in modern law practice and in the economy generally Among other state and model statutes the Revised Uniform LLC Act 2006 the Revised Uniform Partnership Act 1997 the Uniform Limited Partnership Act 2001 and the Third Restatement of Agency 2006 are discussed and cited **The Business Law Journal** , 1923 **Business Organizations Law and Policy** Jeffrey D. Bauman, Russell B. Stevenson, Robert J. Rhee, 2017

Hardbound New hardbound print book **A Legal Framework from Emerging Business Models** Emily M.

Weitzenboeck, 2012 The last two decades have witnessed the growth of new forms of entrepreneurial cooperation such as dynamic networks like virtual enterprises and enterprise pools These business forms are often hybrid having elements of both contract based organizations and corporate forms in particular partnership This book examines the relative utility of contract and partnership law in fostering and maintaining these emerging business models focusing on dynamic networks The book analyses how dynamic networks are organized and set up through very often collaborative contracts and how the behaviour of their member firms is regulated Good faith and fair dealing as a behavioural criterion in contractual and partnership relations is an important theme of this work The background and preconditions for the emergence and growth of such business forms is also investigated The book contains case studies of such networks from different countries in particular Germany Austria Switzerland England and Norway It examines relevant legal rules in a number of jurisdictions such as England Norway Germany Italy France and the US This detailed book will appeal to postgraduate students and academics in the fields of contract law comparative law partnership law and business commercial law Academics in other disciplines such as economics sociology and business management will also find much to interest them in this study

Business Organizations Law and Policy JEFFREY D.. STEVENSON BAUMAN (RUSSELL B.. RHEE, ROBERT J.), Russell Stevenson, Robert Rhee, 2022-08-26 The Tenth Edition continues the basic approach of its predecessors using problems as a vehicle for discussing cases and textual material to develop an understanding of the law of business enterprises and the policy issues that influence its evolution The new edition continues to develop sophisticated materials on noncorporate business entities and it adds significant new cases and commentary on new developments in law including Delaware cases on information rights shareholder litigation and the Caremark doctrine The commentary has been updated for new developments including discussion of the role of corporations in society and the influence of and trends in shareholder proposals It also made modest organizational changes that streamline the sequential delivery of important lessons The Law of Business Organizations, Statutory Supplement Jonathan R. Macey, Douglas K. Moll, 2014-06-20 This supplement brings the principal text current with recent statutory developments in the law
