Alastair Hudson Equity And Trusts Book:

Equity and Trusts Alastair Hudson, 2013 Alastair Hudson's *Equity and Trusts* is an ideal textbook for undergraduate courses on the law of trusts and equitable remedies. It provides a clear, current and comprehensive account of the subject through which the author's enthusiasm and expertise shine through, helping to bring to life an area of the law which students often find challenging. Fully updated and revised, this Seventh Edition contains an analysis of *Jones v Kernott* and trusts of homes, a new treatment of dishonest assistance and unconscionable receipt, a full treatment of the law on super injunctions, coverage of all of the trusts law cases precipitated by the collapse of Lehman Brothers, a reflection on women and equity and the politics of trusts law, a new treatment of the Hastings-Bass principle and analysis of over 200 new cases and the Perpetuities and Accumulations Act 2009. *Equity and Trusts* remains the most comprehensive and up-to-date coverage of the law of Equity and Trusts while still a lively and thoughtful account of the issues raised by it. This book has been cited as being authoritative in the courts of numerous countries. The seventh edition is supported by a companion website which includes over 50 short podcast lectures by the author discussing and clarifying key topics from within the book which cover an entire course, a set of brief video documentaries filmed on location which provide context and bring to life selected key topics, a brief introductory video presentation from the author introducing the viewer to the subject of Equity and Trusts and to the book in particular.

Equity and Trusts Alastair Hudson, 2016-07-15 Alastair Hudson's *Equity and Trusts* is an ideal textbook for undergraduate courses on the law of trusts and equitable remedies. It provides a clear, current and comprehensive account of the subject. The author's enthusiasm and expertise shine through, helping to bring to life an area of the law which students often find challenging. This Ninth Edition has been extensively re-written but remains the same book in spirit as it has always been. It contains an analysis of the important decisions of the Supreme Court in *FHR European Ventures v Cedar Capital*, *Jones v Kernott* and *Williams v Central Bank of Nigeria* and the important decisions in *Charity Commission v Framjee Rawstron*, *v Freud*, *Patel v Mirza*, *Federal Republic of Brazil v Durant*, *Hodkin Novoship v Mihaylyuk*, *National Crime Agency v Robb*, *St Andrews Cheam Lawn Tennis Club*, the after-effects of the Lehman Brothers collapse and analysis of many other new cases. Besides *Equity and Trusts*, it remains the most comprehensive and up-to-date coverage of the law of Equity and Trusts while still a lively and thoughtful account of the issues raised by it. This book has been cited as being authoritative in the courts of numerous countries. The ninth edition is supported by the author's website at www.alastairhudson.com with brand new resources including short podcasts discussing and clarifying key topics from within the book which cover an entire course, complete lecture recordings made specifically to accompany this book, new video documentaries bringing to life selected key topics, a host of other online materials and study guides new for 2016. Review of a previous edition: One of the book's great strengths is its clear exposition of some very difficult areas of the law, moving seamlessly from points that puzzle students to points that puzzle practitioners. Other strengths are the breadth of its approach, the fact that it is extremely up to

date the freshness and vividness of its approach and its willingness to place equity in a wider context The student will enjoy a clear lively and challenging account of the subject matter The practitioner will find the book well worth consulting for its clear exposition of the basic principles and of their application in difficult areas New Law Journal *Principles of Equity and Trusts* Alastair Hudson,2016-06-10 *Principles of Equity and Trusts* is a concise new textbook from Alastair Hudson the author of the definitive classic *Equity and Trusts* Through clear and careful analysis the author explains what the law is its foundational principles and its social and economic effect By beginning with the core principles on which this field is based even the most complex academic debates concerning express resulting and constructive trusts the family home charities law and other equitable doctrines become comprehensible and interesting This book offers a fresh lively and often humorous account of *Equity and Trusts* Through easy to follow worked examples and analysis of the case law Alastair helps you to answer problem questions and to prepare coursework The author shows how the law affects real people in real situations Each chapter begins with a clear and concise introduction to the core principles It contains numbered headings for ease of navigation and advice on studying this subject Students also have access to Professor Hudson's ever popular supporting website which has had hundreds of thousands of hits over the years It has over 50 brief podcasts on key issues which have been specially re-recorded to coincide with the publication of this book That website also contains detailed lectures a variety of videos explaining the law and guidance on tackling assessments Characterised by the passion and enthusiasm for his subject matter that make Alastair Hudson's classic textbook so popular *Principles of Equity and Trusts* is sure to be a winner with both academics and students alike *Understanding Equity & Trusts* Alastair Hudson,2008-08-28 A companion text to Hudson's exceptional textbook *Equity and Trusts* this book gives those unfamiliar with the subject a clear accessible and comprehensive overview of the main themes in this dynamic area of the law **Equity and Trusts** Alastair Hudson,2009-09-11 *Equity and Trusts* is an ideal textbook for undergraduate courses on the law of trusts and equitable remedies It provides a clear current and comprehensive account of the subject through which the author's enthusiasm and expertise shine through helping to bring to life an area of the law which students often find difficult Beginning with the core principles Professor Hudson reinforces the key points by means of clear examples throughout each chapter helping students to build and develop their own knowledge of equity and trusts *Understanding Equity and Trusts* Alastair Hudson,2021 The 7th edition of *Understanding Equity Trusts* provides a clear accessible and lively overview of the main themes in this dynamic area of the law An ideal first point of entry to the subject or revision tool this book will give you an invaluable grounding in all of the key principles of equity and the law of trusts If you need help with trusts law then this is the book for you This book covers all of the topics that a student reader will encounter in any trusts law or equity course The text deals with express trusts resulting and constructive trusts the duties of trustees breach of trust and tracing commercial uses of trusts charities equitable remedies and trusts of homes The law of trusts is built on simple basic principles The approach of

this book is to lay foundations with an explanation of those principles before building towards the more complex issues which are the focus of examinations in this subject The lively text includes a large number of straightforward examples to make the discussion of the general law more accessible *Equity & Trusts* Alastair Hudson, 2014-05-27 This new edition considers all of the academic commentary governing the area of equity and trusts in particular the emerging law of restitution and the raft of new case law over the 1990s It is suitable both as a scholarly reference and as a resource for students **Great Debates in Equity and Trusts** Alastair Hudson, 2014-08-26 This textbook is an ambitious and engaging introduction to the more advanced writings on equity and trusts primarily designed to allow students to get under the skin of the topic and begin to build their critical thinking and analysis skills Each chapter is structured around key questions and debates that provoke deeper thought and ultimately a clearer understanding The aim of the book is therefore not to present a complete overview of theoretical issues in equity and trusts but rather to illustrate the current debates which are currently going on among those working in shaping the area The text features summaries of the views of notable experts on key topics and each chapter ends with a list of guided further reading **Understanding Equity & Trusts** Alastair Hudson, 2008 Understanding Equity Trusts provides an accessible readable and comprehensive overview of the main themes in this dynamic area of the law It will be of interest to students struggling to cope with the increasingly complex field of trusts law and to those revising for exams *Principles of Equity and Trusts* Alastair Hudson, 2021-11-24 This is the second edition of Principles of Equity and Trusts the concise new textbook from Alastair Hudson the author of the definitive classic Equity and Trusts Through clear and careful analysis the author explains what the law is its foundational principles and its social and economic effect By beginning with the core principles on which this field is based even the most complex academic debates concerning express resulting and constructive trusts the family home charities law and other equitable doctrines become comprehensible and interesting This book offers a fresh lively and often humorous account of Equity and Trusts Through easy to follow worked examples and analysis of the case law Alastair helps you to answer problem questions and to prepare coursework The author shows how the law affects real people in real situations Each chapter begins with a clear and concise introduction to the core principles It contains numbered headings for ease of navigation and advice on studying this subject Students also have access to Professor Hudson's ever popular supporting website which has had hundreds of thousands of hits over the years It has over 50 brief podcasts on key issues which have been specially re-recorded to coincide with the publication of this book That website also contains detailed lectures a variety of videos explaining the law and guidance on tackling assessments Characterised by the passion and enthusiasm for his subject matter that make Alastair Hudson's classic textbook so popular Principles of Equity and Trusts is sure to be a winner with both academics and students alike

Alastair Hudson Equity And Trusts Book Introduction

In today's digital age, the availability of Alastair Hudson Equity And Trusts Book books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Alastair Hudson Equity And Trusts Book books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Alastair Hudson Equity And Trusts Book books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Alastair Hudson Equity And Trusts Book versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Alastair Hudson Equity And Trusts Book books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Alastair Hudson Equity And Trusts Book books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Alastair Hudson Equity And Trusts Book books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Alastair Hudson Equity And Trusts Book books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Alastair Hudson Equity And Trusts Book books and manuals for download and embark on your journey of knowledge?
