Gold Bulletin ,1984 **The Elixir of Immortality** Robert E. Cox,2009-09-09 A modern day quest that echoes the ancient alchemists work to discover the elixir of life Provides an overview of alchemical practices in the ancient world from Europe to China Reveals the alchemical secrets for creating this elixir in clear scientific language In 1989 while attempting to extract precious minerals from his property a wealthy Arizonan obtained a mysterious white material that initially defied scientific attempts to identify it After several years of testing this substance was revealed to consist of gold and platinum but in a form unknown to modern science Further research showed that this powder which had also been discovered to possess marvelous healing powers contained monatomic forms of precious metals whose electron units had been altered to no longer display the physical chemical or electrical properties of the original elements This substance Robert Cox shows bears eerie resemblance to the ultimate quest of the alchemists the elixir of immortality The mysterious material spiritual science of alchemy was once pervasive throughout the ancient world spanning the globe from China and India to Egypt and medieval Europe In The Elixir of Immortality Robert Cox reviews the alchemical lore of these traditions and the procedures each used to produce this fabulous elixir Using his own alchemical research Cox then reveals secrets that have been kept hidden for millennia uncovered in his own modern day quest to rediscover this long sought elixir of life **Alchemy and the Elixir of**

Immortality Steven School,2015-05-23 The bible speaks of eternal life for those who unlock its mystery which has been shrouded in secrecy throughout the sands of time ST MATTHEW 5 13 Ye are the salt of the earth but if the salt have lost his savour wherewith shall it be salted Proverbs 3 16 Blessed is he who finds wisdom she is more precious than jewels nothing you desire compares with her long life is in her right hand in her left hand are riches and honor all her ways are pleasant and all her paths are peace [http www howtomakethephilosophersstone com](http://www.howtomakethephilosophersstone.com) Chinese Alchemy Jean Cooper,2016-06-01 Here in one slender volume is a basic introduction to Chinese alchemy a tradition that dates back 5 000 years Chinese alchemy largely associated with Taoism has a recorded history of more than 2 000 years but traditionally it goes back even further to nearly 3000 BC and the time of the Yellow Emperor While Western alchemy was concerned with the search for spiritual and material gold classic Taoist alchemy was a mystical quest for immortality with its aim being union with the Absolute Jean Cooper describes the history and development of Taoist alchemy compares it to similar traditions in India and Turkistan and gives it context by contrasting it with the rationale of the Western hermetic tradition As she writes in her concluding chapter

The whole work of alchemy is summed up in the phrase To make of the body a spirit and of the spirit a body The goal of the Taoist alchemist mystic was transformation or perhaps more correctly transfiguration of the whole body until it ceases to be and is absorbed into and becomes the Tao This is an essential guide for anyone interested in Chinese legend and lore Chinese magic and medicine and Taoism Aurum Solis Steven School,2014-01-02 Alchemy the secrets of the bible the fountain of youth the elixir of life these ancient mysteries and more are illuminated like never before as we journey across time in this exciting book For informational purposes only no warranty is expressed or implied as to the accuracy or completeness of the information presented in this booklet This booklet is not intended to diagnose treat or cure any medical or health related issue <http://www.howtomakethephilosophersstone.co> *Alchemy Rediscovered and Restored* A. Cockren,1999-07 Tells the story of alchemy clearly so that most can understand The cryptic language and symbolism commonly found is laid bare so we can comprehend exactly what was meant and what was happening during the pursuit of the alchemical elixir Reveals the main alchemical law operating within the human spirit and used in our quest for immortality Claims there is truly a Divine Plan and by exploring alchemy we will find ourselves on the path that will lead us to it Covers great alchemists like St Germain Nicholas Flamel Basil Valentine and Paracelsus Ends by reprinting two of the worlds most important Hermetic alchemical texts *The Golden Tracate of Hermes and The Book of the Revelation of Hermes* **Aurum Potabile** Tarl Warwick,2016-05-03 The famed Aurum Potabile of the philosophers is also known today as colloidal gold In this manuscript almost certainly written to refute the snake oil of the Francis Anthony period the theory behind creating this material is revealed in detail Neither concerned with folkish herblore and rudimentary mineral alchemy nor strictly the celestial this Aurum Potabile hints at the reader what course they should take should they desire the famed medicine of the ancients

The Elixir of Life Also Known as the Philosophers' Stone Laleh Bakhtiar,Samira Ardalán,2015-02-02 Journey towards uncovering the mysterious formula of the Elixir of Life also known as the Philosophers Stone as found in Avicenna s Volume 5 of the Canon of Medicine Pharmacopia Avicenna s Canon of Medicine translated into Latin was the only medical textbook used in Europe for 600 years Many readers will be familiar with Avicenna s use of the terms Philosophers Stone and the Elixir of Life which were made famous through the Harry Potter series This formula is based on the humoral theory of hot cold wet and dry and is said to give eternal youth Avicenna gives you all the ingredients their amounts and directions for how to prepare the Elixir of Life Each ingredient is described in detail accompanied by beautiful color illustrations Find out for yourself if the Elixir works
