The Jacket Andrew Clements, 2002-05-02 Phil is on a mission His absentminded little brother forgot his lunch money All kinds of thoughts are running through Phil's mind as he searches for Jimmy in the throngs of fourth and fifth graders crowding the school hallway if I'm late for math today then I might not be allowed to take the test and then I could flunk math I might even flunk sixth grade and get left back Then Phil spots Jimmy's one of a kind jacket and rushes to the corner of the hallway Except the person wearing it isn't his brother it's some black kid Phil's never seen before wearing Jimmy's jacket Phil makes an accusation tempers flare and both kids wind up in the principal's office How will Phil react when he finds out how Daniel came to be the owner of this unique jacket Will Daniel be able to forgive Phil for an accusation that was based on racial prejudice What will each boy learn about the other and most important about himself *Extra Credit* Andrew Clements, 2012-03-13 It isn't that Abby Carson can't do her schoolwork She just doesn't like doing it And in February a warning letter arrives at her home Abby will have to repeat sixth grade unless she meets some specific conditions including taking on an extra credit project to find a pen pal in a distant country Seems simple enough But when Abby's first letter arrives at a small school in Afghanistan the village elders agree that any letters going back to America must be written well In English And the only qualified student is a boy Sadeed Bayat Except in this village it is not proper for a boy to correspond with a girl So Sadeed's younger sister will write the letters Except she knows hardly any English So Sadeed must write the letters For his sister to sign But what about the villagers who believe that girls should not be anywhere near a school And what about those who believe that any contact with Americans is unhealthy Not so simple But as letters flow back and forth between the prairies of Illinois and the mountains of central Asia across cultural and religious divides through the minefields of different lifestyles and traditions a small group of children begin to speak and listen to one another And in just a few short weeks they make important discoveries about their communities about their world and most of all about themselves **We Hold These Truths** Andrew Clements, 2013-11-15 Troublemaker Andrew Clements, 2012-03-13 Andrew Clements's latest novel about mentors role models and choosing friends examines the fine line between good humored mischief and dangerous behavior and how everyday choices can close or open doors There's a folder in Principal Kelling's office that's as thick as a phonebook and it's growing daily It's filled with the incident reports of every time Clayton Hensley broke the rules There's the minor stuff like running in the hallways and not being where he was suppose to be when he was supposed to be there But then there are also reports that show Clay's own brand of troublemaking like the most recent addition the art teacher has said that the class should spend the period drawing anything they want and Clay decides to be extra creative and draw a spot on portrait of Principal Kellings as a donkey It's a pretty funny joke but really Clay is coming to realize that the biggest joke of all may be on him When his big brother Mitchell gets in some serious trouble Clay decides to change his own mischief making ways but he can't seem to shake his reputation as a troublemaker From the master of the school story comes a book

about the fine line between good humored mischief and dangerous behavior and how everyday choices can close or open doors **Andrew Clements'** Andrew Clements,2030-12-30 A Simon Schuster eBook Simon Schuster has a great book for every reader *Frindle* Andrew Clements,1998-02 When he decides to turn his fifth grade teacher s love of the dictionary around on her clever Nick Allen invents a new word and begins a chain of events that quickly moves beyond his control
