Biblical Parables and Their Modern Re-creations Gila Safran Naveh, 2012-02-01 In *Biblical Parables and Their Modern Re-creations* Gila Safran Naveh carefully charts the historical transformation of these deceptively simple narratives to reveal fundamental shifts in their form function and most significantly their readers cognitive processes Bringing together for the first time parables from the Scriptures the synoptic Gospels Chassidic tales and medieval philosophy with the mashal the rabbinic parables commonly used to interpret Scripture this book brilliantly contrasts the rhetorical strategies of ancient parables with more recent examples of the genre by Kafka Borges Calvino and Agnon By using an interdisciplinary approach and insights from current semiotic linguistic psychoanalytic and gender theories Naveh reveals a dramatic social cultural and political shift in the way we view the divine

The Parables Dr. Paul Simpson Duke, 2010-09-01 Many resources have been written to offer assistance in exploring and understanding the lectionary texts for the purpose of preaching However few have sought to provide this kind of preaching commentary on texts that do not follow the lectionary s grouping For those whose preaching does not customarily follow the lectionary and for those who depart from the lectionary text during certain periods of the year little guidance has been offered for how to select and preach on important biblical texts *The Parables A Preaching Commentary* the third book in *The Great Texts* series gives guidance to preachers on preaching about this central part of faith The principles by which volumes in *The Great Texts* series have been chosen are primarily two fold Thematic Texts on certain overarching themes or ideas of the Christian faith are brought together Biblical traditional Texts have long been recognized as belonging together and as being particularly beneficial to the work of preaching

Wrestling with an Angel Ehud Luz, 2008-10-01 By regaining for the Jewish people the capacity to deploy force Zionism posed moral dilemmas for the Jews that for many generations living in exile they had not had to confront The return to full political life and the use of military force involved a profound revolution in the Jewish identity and aroused deep and painful misgivings This thought provoking book examines how the forging of a new moral stance on the use of force has affected Jewish identity in the Land of Israel and throughout the world Drawing on historiography philosophy social commentary ideological tracts and belles lettres Ehud Luz explores the ways that Zionist attitudes toward sovereignty were shaped by their Judaic heritage in particular the prophetic literature and the halakhic legal tradition which stressed the sanctity of human life and the strict prohibition against the shedding of innocent blood Luz argues that despite secularization Jewish tradition continues to influence the political life and national ethos of the Jews and that the Jewish religious tradition is an important sometimes even decisive factor in the way that political and cultural issues in Israel are resolved

From Messiah

to *Preexistent Son* Aquila H. I. Lee, 2009-08-01 How did the earliest Christians come to see Jesus as a divine and preexistent being alongside God Aquila Lee proposes that the root of preexistent Son Christology is to be found in early Christian exegesis of the two messianic psalms the catalyst in the light of Jesus's self-consciousness of divine sonship and divine mission the foundation

The Matter and Form of Maimonides' Guide Josef Stern, 2013-06-03 Maimonides Guide of the Perplexed is generally read as an attempt either to harmonize reason and revelation or to show that they are irreconcilable Moving beyond these familiar debates Josef Stern argues that the perplexity addressed in this famously enigmatic work is the tension between human matter and form the body and intellect

The Corruption and Redemption of Creation Harry Hahne, 2006-11-23 Nature plays an important and often neglected role in Jewish apocalypses Most Second Temple Jewish apocalypses ca 200 BC AD 100 do not oppose the material world but view nature as damaged by human and angelic sin Rather than expecting God to destroy the world many look forward to God's dramatic eschatological deliverance of nature from corruption Although Romans 8 19 22 was not written in the genre of an apocalypse it shares the basic apocalyptic world view The Apostle Paul follows that stream of apocalyptic thought that looks forward to the transformation of creation by an eschatological divine act the reversal of the damage caused by sin and the perfection of nature to share glory with redeemed humanity A comparison of nature in Jewish apocalypses and Romans 8 19 22 reveals important insights into the theology of early Judaism and its influence on early Christian thought
