## **Anh Do Happiest Refugee:**

*The Happiest Refugee* Anh Do, 2011-03-22 The bestselling laugh out loud reach for your hanky story of one of Australia's best loved comedians **The Happiest Refugee** Anh Do, 2016-07-01 *The Little Refugee* Anh Do, Suzanne Do, 2011-11-01 Anh Do's inspirational story about his family's incredible escape from war-torn Vietnam and his childhood in Australia told especially for children *The Happiest Refugee* Anh Do, 2011-03-22 Anh Do nearly didn't make it to Australia. His entire family came close to losing their lives on the sea as they escaped from war-torn Vietnam in an overcrowded boat. But nothing—not murderous pirates nor the imminent threat of death by hunger, disease or dehydration as they drifted for days—could quench their desire to make a better life in the country they had dreamed about. Life in Australia was hard: an endless succession of back-breaking work, crowded rooms, ruthless landlords and making do everything. But there was a loving extended family and always friends and play and something to laugh about for Anh, his brother Khoa and their sister Tram. Things got harder when their father left home when Anh was only nine; they felt his loss very deeply and their mother struggled to support the family on her own. His mother's sacrifice was an inspiration to Anh and he worked hard during his teenage years to help her make ends meet, also managing to graduate high school and then university. Another inspiration was the comedian Anh met when he was about to sign on for a 60-hour-a-week corporate job. Anh asked how many hours he worked. Four. The answer came back and that was it. He was going to be a comedian. *The Happiest Refugee* tells the incredible, uplifting and inspiring life story of one of our favourite personalities. Tragedy, humour, heartache and unswerving determination: a big life with big dreams. Anh's story will move and amuse all who read it. **The Happiest Refugee by Anh Do** Liz Waud, 2013

*The Happiest Refugee* Anh Do, 2019 Anh Do nearly didn't make it to Australia. His entire family came close to losing their lives on the sea as they escaped from war-torn Vietnam in an overcrowded boat. But nothing—not murderous pirates nor the imminent threat of death by hunger, disease or dehydration as they drifted for days—could quench their desire to make a better life in a country where freedom existed. **Migrant Nation** Paul Longley Arthur, 2017-12-15 Focusing on particular historical blind spots by telling stories of individuals and groups that did not fit the favoured identity mould, the essays in *Migrant Nation* work within the gap between Australian image and experience and offer fresh insights into the other side of identity construction. The volume casts light on the hidden face of Australian identity and remembers the experiences of a wide variety of people who have generally been excluded, neglected or simply forgotten in the long running quest to tell a unified story of Australian culture and identity. Drawing upon memories, letters, interviews and documentary fragments as well as rich archives, the authors have in common a commitment to give life to neglected histories and thus to include in an expanding and open-ended national narrative people who were cast as strangers in the place that was their home.
