Climax: Napoleon runs Snowball off the farm with his pack of dogs and declares that the power to make decisions will be exercised solely by the pigs.

Key Question and Answer

What is Animalism?

Napoleon, Snowball and Squealer develop Old Major's idea that animals have a right to freedom and equality into a complete system of thought, which they call *Animalism*. The central beliefs of *Animalism* are expressed in the Seven Commandments, painted on a wall of the big barn. However, the pigs seize more and more power, they change the Commandments painted on the barn. *Animalism* is reduced to a single principle which is virtually the opposite of Old Major's original idea: "All animals are equal but some animals are more equal than others."

What Does the Ending Mean?

At the end of *Animal Farm*, Pilkington and other human farmers come to eat dinner with the pigs at the farmhouse. As the other animals watch through the window, they find they are unable to tell pigs and humans apart. The pigs have started to dress and behave exactly like humans. The *Boxer's* final message expresses the animals' realization that the pigs have become as cruel and oppressive as human farmers. The ending also makes the argument that political power is always the same, whoever has it and whatever ideology is used to justify it.
