Asceticism And The New Testament

David W. Kling

Asceticism And The New Testament:

Asceticism and the New Testament Leif E. Vaage, Vincent L. Wimbush, 2002-09-11 First published in 1999 Routledge is an imprint of Taylor Francis an informa company Asceticism and Exegesis in Early Christianity Hans-Ulrich Weidemann, 2013-03-13 From the beginning many of the early Christian communities led an ascetic lifestyle although a good number of New Testament texts do not seem suitable for justifying radical ascetic and encratite practice The question thus arises how the different forms of asceticism could be justified on the basis of those scriptures The articles of the volume focus on the interpretation and application of New Testament texts in various ascetic milieus and in the works of several early Christian authors and on the reception history of New Testament texts either supporting or resisting an ascetic relecture

Asceticism and the New Testament Leif E. Vaage, Vincent L. Wimbush, 2002-09-11 As a complex historical phenomenon asceticism raises the question about ordinary impulses the orientation and practices the power dynamics and politics with transcendental religions The question of the role of asceticism has often been overlooked in examining the New Testament This book is both comprehensive and comparative in its representation of how the question of asceticism might reorder the way in which we interpret the New Testament Looking at the New Testament from an ascetic perspective asks questions about issues including the milieu of Jesus and Paul and the social practices of self denial and considers the Scriptural texts in light of a desire to separate oneself from the world In interpreting all the books in the New Testament this collection is the first effort to take seriously the crucial role played by asceticism and its detractors in the formation of the New Testament

Asceticism Vincent L. Wimbush, Richard Valantasis, 2002-05-23 From meditation and fasting to celibacy and anchoritism the ascetic impulse has been an enduring and complex phenomenon throughout history Offering a sweeping view of this elusive and controversial aspect of religious life and culture Asceticism looks at the ascetic impulse from a unique vantage point Cross cultural cross religious and multidisciplinary in nature these essays provide a broad historical and comparative perspective on asceticism a subject rarely studied outside the context of individual religious traditions The work represents the input of more than forty preeminent scholars in a wide range of fields and disciplines and analyzes asceticism from antiquity to the present in European Near Eastern African Asian and North American settings Asceticism is organized around four major themes that cut across religious traditions origins and meanings of asceticism which explores the motivations and impulses behind ascetic behaviors hermeneutics of asceticism which looks at texts and rhetorics and their presuppositions aesthetics of asceticism which documents responses evoked by ascetic impulses and practices as well as the arts of ascetic practices themselves and politics of asceticism which analyzes the power dynamics of asceticism especially as regards gender cultural and ethnic differences Critical responses to the major papers ensure the focus upon the themes and unify the discussion Two general addresses on broad philosophical and historical interpretive issues suggest the importance of the subject of asceticism for wide ranging but serious cultural critical discussions An Appendix Ascetica Miscellanea includes six

short papers on provocative topics not related to the four major themes and a panel discussion on the practices and meanings of asceticism in contemporary religious life and culture A selected bibliography and an index are also included The only comprehensive reference work on asceticism with a multicultural multireligious and multidisciplinary perspective Asceticism offers a model not only for an understanding of a most important dimension of religious life but also for future interdisciplinary study in general

Asceticism and the New Testament Russell Elliott Rees,1934 The Bible in History David W. Kling,2004 No one can doubt that the Bible has exerted a tremendous influence on Western civilization since the dawn of Christianity In this book Kling traces the story of how specific biblical texts have emerged to be the inspiration of movements and collective responses that have changed the course of history A Social History of Christian Origins Simon J. Joseph,2022-12-30 A Social History of Christian Origins explores how the theme of the Jewish rejection of Jesus embedded in Paul s letters and the New Testament Gospels represents the ethnic social cultural and theological conflicts that facilitated the construction of Christian identity Readers of this book will gain a thorough understanding of how a central theme of early Christianity the Jewish rejection of Jesus facilitated the emergence of Christian anti Judaism as well as the complex and multi faceted representations of Jesus in the Gospels of the New Testament This study systematically analyzes the theme of social rejection in the Jesus tradition by surveying its historical and chronological development Employing the social psychological study of social rejection social identity theory and social memory theory Joseph sheds new light on the inter relationships between myth history and memory in the study of Christian origins and the contemporary reconstruction of the historical Jesus A Social History of Christian Origins is primarily intended for academic specialists and students in ancient history biblical studies New Testament studies Religious Studies Classics as well as the general reader interested in the beginnings of Christianity

Theology as Ascetic Act Nathan G. Jennings,2010 Nathan G Jennings s captivating study explores the ascetical logic of the various practices that Christians call theology By establishing ascetic practice as coherent within the logic of Christian thought Jennings argues that Christian theology itself as an embodied Christian practice is a type of and participant in Christian asceticism Jennings establishes that the implications of such an understanding of Christian theology can be brought to bear on modern Christian scholarship in profound and transformative ways With engagements and references that span a vast terrain from Patristic authors to modern systematic theologians *Theology as Ascetic Act* Disciplining Christian Discourse is a significant contribution to both modern Christian thought and the study of asceticism

One in Christ Jesus David Lertis Matson,K.C. Richardson,2014-11-11 This Festschrift dedicated to S Scott Bartchy comes on the occasion of his retirement from the Department of History at the University of California at Los Angeles This volume contains seventeen essays contributed by Professor Bartchy s esteemed colleagues associates friends and former graduate students Beginning with his groundbreaking work on Greco Roman slavery Bartchy s teaching and research have been marked both by his use of social scientific methods for studying the New Testament and by an interest in

the social history of early Christianity including the role of women in the early Christian assemblies the Christian critique of traditional views of male honor and the practice of table fellowship and its implications for Christian social relations To honor Bartchy s legacy the editors thought it appropriate to organize this collection according to the relational categories suggested by Galatians 3 28 Each essay pertains therefore to the social dynamics between Jews and Gentiles slaves and freeborn or males and females in the early church and beyond The volume s subtitle reflects Scott s many accomplishments as a jazz musician and sounds a note of unity in diversity that characterizes the diverse perspectives and themes found in the essays of this volume Unmanly Men Brittany E. Wilson, 2015-04-14 Brittany Wilson examines key male characters in Luke Acts in relation to constructions of masculinity in the Greco Roman world and argues that Lukan men do not conform to elite representations of manliness

Asceticism And The New Testament Book Review: Unveiling the Power of Words
