ASEAN Enlargement

*Impacts and
Implications*

The background of the cover features a stylized map of Southeast Asia, including the Malay Peninsula and the Indonesian archipelago, rendered in shades of yellow and orange. This map is overlaid on a dark blue background with a light blue grid pattern, resembling a globe or a technical drawing. The title 'ASEAN Enlargement' is prominently displayed in large, bold, white and blue letters, with 'ASEAN' in blue and 'Enlargement' in white. Below the main title, the subtitle 'Impacts and Implications' is written in a smaller, italicized white font.

Asean Enlargement Impacts And Implications:

ASEAN Enlargement Mya Than, Carolyn L. Gates, 2001 During the past decade ASEAN has shifted its focus from political and military security to economic co operation and development Although this change may ease the integration of the four mainland Southeast Asian nations Vietnam Laos Myanmar and Cambodia into ASEAN there remain significant challenges to forge a workable and united ten member ASEAN This book examines many of the economic political and institutional issues confronting the enlarged regional grouping The volume is organized into three sections based on the perspectives of the region subregion and the newer members It not only addresses ASEAN s enlargement but also contributes to the debate on ASEAN s shifting role in the twenty first century [The Impact of ASEAN Enlargement on Economic Integration](#) Sarinna Areethamsirikul, 2008

ASEAN Regionalism Christopher B. Roberts, 2012-03-15 This book examines the key motivations for and challenges to greater regional integration in Southeast Asia It demonstrates how security and economic concerns domestic regional and international have either contributed to or detracted from an increased level of unity and cooperation in ASEAN It also explores how the patterns of interaction and socialization generated by these issues together with the nature of domestic political systems have affected the emergence of common values norms and interests It covers the full range of issues confronting ASEAN at present and the full range of ASEAN countries and discusses both developments in ASEAN to date and also likely future developments [The Oxford Handbook of the International Law of Global Security](#) Robin Geiß, Nils Melzer, James Gerard Devaney, 2021 A unique overview of the relationship between international law and global security Major areas of coverage include armed conflict human rights the environment and technology Book jacket

Region-building Ludger Kühnhardt, 2010-07-01 After two centuries of nation building the world has entered an era of region building in search of political stability cultural cohesion and socio economic development Nations involved in the regional structures and integration schemes that are emerging in most regions of the world are deepening their ambitions with Europe s integration experience often used as an experimental template or theoretical model Volume I provides a political analytical framework for recognizing the central role of the European Union not only as a conceptual model but also a normative engine in the global proliferation of regional integration It also gives a comprehensive treatment of the focus motives and objectives of non European integration efforts Volume II offers a unique collection of documents that give the best available overview of the legal and political evolution of region building based on official documents and stated objectives of the relevant regional groupings across all continents Together these volumes are important contributions for understanding the evolution of global affairs in an age when power shifts provide new challenges and opportunities for transatlantic partners and the world community

ASEAN's Myanmar Crisis Christopher Roberts, 2010 In line with recent

reviews of policy by Aung San Suu Kyi and the U S Government ASEAN's Myanmar Crisis Challenges to the Pursuit of a Security Community provides a clear and innovative analysis of why it is necessary to reassess regional and international approaches to Myanmar For the first time this book also reveals the full extent to which Myanmar has challenged the solidarity and development of ASEAN itself This is a must read for anyone interested in either Myanmar or the future In line with recent reviews of policy by Aung San Suu Kyi and the U S Government ASEAN's Myanmar Cr

Governance and Civil Society in Myanmar Helen James, 2005-03-21 Most international attention on Myanmar has focused on the political situation where the military in power since 1962 continues to refuse to acknowledge the results of democratic elections and on related human rights issues This book by focusing on education health and environment and on the institutions which formulate and deliver policy in these fields shows how the international community can make a significant difference to strengthening Myanmar's civil society and to supporting a future democratic form of government by encouraging institutional developments in these fields Such developments in turn the author argues will re skill the younger generation promote economic development and poverty alleviation and through a participatory approach to policy making nurture the conditions from which democracy will grow

Regional Integration in East Asia and Europe Bertrand Fort, Douglas Webber, 2006-06-19 No existing book provides a systematic description and explanation of the differences and similarities in regional integration levels and processes in Europe and East Asia Apart from also providing a comprehensive issue based overview of political integration in the past and present in the two regions the volume provides a useful reality check to integration theorists who have developed their theories based exclusively or largely on the analysis of the European case Brings together the top scholars on regionalism in Europe and Asia

Regionalism in China-Vietnam Relations Oliver Hensengerth, 2009-09-10 This book analyses collaboration in the Greater Mekong Subregion It explores inter state cooperation and the role of subnational units provincial and local governments and transnational actors NGOs firms in building and maintaining the subregion It also considers the relationships between actors on the three levels their influences within the structures of decision making in the GMS their policy pronouncements and roles in the GMS After exploring the historical background of cooperation in the GMS the author discusses how far cooperation in the GMS has developed from the mere promotion of the national interest of individual states towards an institution as an independent actor able to influence relationships between its member states instead of only being influenced by them Hensengerth scrutinises the nature of GMS cooperation and the character and capabilities of the institution of the GMS exemplified by the bilateral relations between China and Vietnam Here the study will combine the analysis of subregionalism and institution building in the GMS with an analysis of China Vietnam relations by combining theoretical approaches to regional integration in the form of the regime approach with foreign policy analysis This book will appeal to academics within international relations Southeast Asian regional and China or Vietnam country specialists
