Asher's Blood Michelle Lee Pike, 2022-04-06 Detective Asher Barnes wanted nothing more than to live an average ordinary human life She wanted to have the typical upbringing most people got with at least one loving parent Fate on the other hand had other plans for her She was anything but average or ordinary even if she was very much human

She didn't have a typical upbringing. The man who raised her was cruel, unforgiving, and not to mention a vampire lord. Her father controlled all of those in his path. Those who refused to bend were cut down. Asher was no exception to her father's rule. His identity was carved into her very skin. This made escaping him an uneasy task, no matter how hard she tried. The one time she succeeded, Asher was forced to move back to his estate. Her father had plans for her, and refusing was not an option. So she moved back to appease her father, leaving the only home she had found in the world. All that Asher had left now was her work, but even that wasn't what she had hoped it to be. The secret life she grew up in now infested every inch and aspect of her life, including her work. Her new partner, Dominic Morris, was no exception. When Dominic wasn't too busy stealing the hearts of every woman in their office, he was busy making Asher's life more difficult. They couldn't have been more different.

Kingmaker, Kingbreaker Karen Miller, 2024-09-24 Being a fisherman like his father isn't a bad life, but it's not the one that Asher wants. Despite his humble roots, Asher has grand dreams. And they call him to Dorana, home of princes, beggars, and the warrior mages who have protected the kingdom for generations. Little does Asher know, however, that his arrival in the city is being closely watched. *Kingmaker, Kingbreaker*, one of the most popular adventure fantasy series in recent years, is compiled into one volume for the first time. Included in this omnibus edition are *The Innocent Mage* and *The Awakened Mage*.

Revenge to Redemption S. B. Sebrick, 2014-03-01 Asher sets out to punish King Geladon for taking the innocent life of his dear friend Jasmine. Only a towering fortress half animal guards Geladon's own magic, and Jasmine's moral teachings against revenge stand in his way. Getting to Geladon will push him to the limits of his training. What he finds there will exceed his wildest dreams. It may also require the ultimate sacrifice. *Touch of Death (The Warrior King and His Empath 3)* Sara M. Burgess, 2021-10-10 For the first time in centuries, the four races have united to battle a common enemy, Aeliana, Queen of the Gods. The time has come to finally put an end to her cruelty or die trying. If they lose, the goddess will leave no one alive. As king and queen of their people, Asher and Kenna Drydan have a lot going on. Life is far from a honeymoon for these newlyweds. In the middle of preparing for war, both must prove themselves. Asher's throne is challenged by the last person he ever expected, and he must show everyone he's neither weak nor afraid to get his hands dirty. At the same time, Kenna is thrust into a role she's not ready to accept, but it's not one she can refuse. Kenna and Asher hold each other a little closer as those closest to them are taken, but love can only provide so much shelter. Will they triumph over their enemies, or will death touch them too? If they're not careful, their worst fears might come true. *Circle of Dead Girls* Eleanor Kuhns, 2020-01-01 A circus arrives in Durham in the 1790s, and the whole town is excited until the body of a Shaker girl is found beaten. 1790s. The circus has arrived in Durham, Maine. Before weaver Will Rees is able to take in its spectacle, he spots Magistrate Hanson, the man he blames for his family's having to flee Dugard two years earlier. On his journey home, he encounters Shaker brothers searching for a girl from their Zion community. Despite women not being allowed inside the circus, Leah had snuck out to visit it. They quickly come across her lifeless body, beaten and thrown into a farmer's field on the road leading to the circus. Bored

of his household chores Rees begins investigating at the expense of his home life He becomes entranced by the lives of the circus performers including the charismatic horse rider and tightrope walker Is his longing for his old journeyman s life causing him to take his eye off the case and can he stay out of Hanson s way and keep his family safe
