Asimovs Annotated Gilbert And Sullivan:

Asimov's Annotated Gilbert & Sullivan Arthur Sullivan, William Schwenck Gilbert, Isaac Asimov, 1988 **Gilbert and Sullivan** Harold Orel, 2016-07-27 Sir William Schwenk Gilbert and Sir Arthur Sullivan created fourteen comic operas witty satires set to sparkling music that instantly won a large and enthusiastic audience and remain immensely popular today Their talents brought the two men together and their temperaments finally drove them apart Here in forty interviews and recollections is a record of what was said about them during and shortly after their lifetimes by friends musicians theatrical managers singers actors and actresses journalists and authors For Gilbert and Sullivan devotees everywhere this entertaining collection will provide fresh insights into the careers and collaborative achievements of one of the most successful and enduring enterprises of Victorian theatre **I, Asimov** Isaac Asimov, 2009-12-23 Arguably the greatest science fiction writer who ever lived Isaac Asimov also possessed one of the most brilliant and original minds of our time His accessible style and far reaching interests in subjects ranging from science to humor to history earned him the nickname the Great Explainer I Asimov is his personal story vivid open and honest as only Asimov himself could tell it Here is the story of the paradoxical genius who wrote of travel to the stars yet refused to fly in airplanes who imagined alien universes and vast galactic civilizations while staying home to write who compulsively authored more than 470 books yet still found the time to share his ideas with some of the great minds of our century Here are his wide ranging thoughts and sharp eyed observations on everything from religion to politics love and divorce friendship and Hollywood fame and mortality Here too is a riveting behind the scenes look at the varied personalities Campbell Ellison Heinlein Clarke del Rey Silverberg and others who along with Asimov helped shape science fiction As unique and irrepressible as the man himself I Asimov is the candid memoir of an incomparable talent who entertained readers for nearly half a century and whose work will surely endure into the future he so vividly envisioned Conversations with Isaac Asimov Isaac Asimov, 2005 Collected interviews with the popular and influential author considered to be one of the founding fathers of modern science fiction **A Most Ingenious Paradox** Gayden Wren, 2001 Most books written about Gilbert Sullivan have focused on the authors rather than the works With this detailed examination of all fourteen operas Gayden Wren fills this void His bold thesis finds the key to the operas longevity not in the clever lyrics witty dialogue or catchy music but in their timeless themes which speak to audiences as powerfully now as they did the first time the operas were performed This volume is essential reading for any devotee of these enchanting works or indeed for anyone who loves musical theater *How Quaint the Ways of Paradox!* Philip H. Dillard, 1991 Identifies 968 articles monographs and dissertations by and about Gilbert and Sullivan *The Gilbert and Sullivan Lexicon in which is Gilded the Philosophic Pill* Harry Benford, 1991 **The Gasbag** ,1991 *The Secret Gospel of Mark Unveiled* Peter Jeffery, 2007-01-01 In 1958 Bible scholar Morton Smith announced the discovery of a sensational manuscript a second century letter written by St Clement of Alexandria who quotes an unknown longer version of the Gospel

of Mark When Smith published the letter in 1973 he set off a firestorm of controversy that has raged ever since Is the text authentic or a hoax Is Smith s interpretation correct Did Jesus really practice magic or homosexuality And if the letter is a forgery why Through close examination of the discovered manuscript s text Peter Jeffery unravels the answers to the mystery and tells the tragic tale of an estranged Episcopalian priest who forged an ancient gospel and fooled many of the best biblical scholars of his time Jeffery shows convincingly that Smith s Secret Gospel is steeped in anachronisms and that its construction was influenced by Oscar Wilde s Salom twentieth century misunderstandings of early Christian liturgy and Smith s personal struggles with Christian sexual morality

It's Been a Good Life Isaac Asimov,2009-09-25 This new one volume autobiography spans Asimov s life for the first time condensed from three volumes by the author s wife who also shares excerpts from letters he wrote to her Although she concludes this work with a shocking revelation about her husband s death the volume is clearly intended to be a celebration of a wonderful creative life Illustrations National ads
