LANIER TECHNICAL COLLEGE

ASSET STUDY GUIDE

What Is ASSET?

The ASSET program is a series of short placement tests developed by America College Testing (ACT) that lets you and your school work together to help you succeed in your educational program. ASSET helps you identify your strengths as well as the knowledge and skills you will need in order to succeed in specific subject areas. ASSET also helps your school use this information to guide you toward classes that strengthen and build logically upon your current knowledge and skills.

How Does ASSET Work?

ASSET has three tests of basic skills in writing, reading, and numerical reasoning, plus more advanced tests in algebra and geometry. Lanier Technical College requires entering students to take the basic skills tests in writing, reading, numerical reasoning, and the elementary algebra skills section.

How Are ASSET Scores Used?

The ASSET is not used like a traditional test battery. There is generally no “passing score”. Rather, ASSET scores indicate areas in which you are strong and areas in which you may need help. Thus, ASSET can identify problems in major subject areas before they disrupt your educational progress, giving you the opportunity to prepare more effectively for needed courses.

You and your institution can use the scores from ASSET tests and the information from the Educational Planning Form to prepare a course of study that will be appropriate, relevant, and
