Assuming The Position A Memoir Of Hustling:

Assuming the Position Rick Whitaker, 2001-11-16 Rick Whitaker divulges the complex reasons that drove him to prostitution and reflects on the cost of a life of half truths and emotional lies With an unsentimental eye Whitaker chronicles his descent and eventual resolution *Gay American Autobiography* David Bergman, 2009 In the first anthology to survey the full range of gay men's autobiographical writing from Walt Whitman to the present *Gay American Autobiography* draws excerpts from letters journals oral histories memoirs and autobiographies to provide examples of the best life writing over the last century and a half Volume editor David Bergman guides the reader chronologically through selected writings that give voice to every generation of gay writers since the nineteenth century including a diverse array of American men of African European Jewish Asian and Latino heritage Documenting a range of life experiences that encompass tattoo artists and academics composers and drag queens hustlers and clerks it contains accounts of turn of the century transvestites gay rights activists men battling AIDS and soldiers attempting to come out in the army Each selection provides important insight on the wide spectrum of ways gay men have defined and lived their lives highlighting how self awareness changes an author's experience The volume includes an introduction by Bergman and headnotes for each of the nearly forty entries Bringing many out of print and hard to find works to new readers this challenging and comprehensive anthology chronicles American gay history and life struggles over the course of the past 150 years Finalist Lambda Book Award for LGBT Anthology Lambda Literary Foundation *The Routledge Handbook of Male Sex Work, Culture, and Society* John Scott, Christian Grov, Victor Minichiello, 2021-03-20 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender

studies and cultural studies and all those interested in male sex work *Encyclopedia of Prostitution and Sex Work* Melissa Hope Ditmore, 2006-08-30 The cliché is that prostitution is the oldest profession Isn't it time that the subject received a full reference treatment This major 2 volume set is the first to treat in an inclusive reference what is usually considered a societal failing and the underside of sexuality and economic survival The A to Z encyclopedia offers wide ranging entries related to prostitution and the sex industry past and present both worldwide mostly in the West and in the United States The topic of prostitution has high interest appeal across disciplines and the narrative entries illuminate literature art law medicine economics politics women's studies religion sociology sexuality film popular culture public health nonfiction American and world history business gender media education crime race technology performing arts family social work social mores pornography the military tourism child labor and more It is targeted to the general reader who will gain useful insight into the human race through time via its sex industry and prostitution An introduction overviews the scope of prostitution from the earliest historical records including the Bible User friendly lists that are alphabetically and topically arranged help the reader find entries of interest as does the comprehensive index A chronology proffers significant dates related to the topic Each entry is signed and has suggestions for further reading Sample entries Abolition Actresses Augustine Saint Barr Candy Bible Camp Followers Chamberlain Kahn Bill of 1918 Child Prostitution Clothing Contagious Diseases Acts of 1864 1866 and 1869 Crime Debby Doesn't Do It for Free Dickens Charles Devadasi Entrapment Fallen Woman Trope Feminism Films Cult Five Points Free Love Geisha Globalization Guidebooks Hip Hop HIV AIDS and the Prostitution Rights Movement Human Rights Incest Internet Jack the Ripper Kama Sutra League of Nations Lulu Male Stripping Mann Act Mayhew Henry Memoirs Migration and Mobility Nazi Germany Poetry Purity Movements R Religion Salvation Army Scapegoating Slang Storyville Temporary Marriage Unions Venice Window Prostitution **Queering Sexualities in Turkey** Cenk Özbay, 2017-05-25

Despite its some of its more liberal and democratic characteristics when compared to many other countries in the Middle East the more conservative elements within Turkish politics and society have made gains over the past decades As a result like many others in the region Turkish society has multiple standards when naming evaluating and reacting to men who have sex with men Cenk Özbay argues that overall self identified gay men as well as men who practice clandestine same sex acts are most of the time marginalised ostracised and rendered immoral in both everyday practices and social institutions He offers in this book an analysis of the concept of masculinity as central to redefining boundaries of class gender and sexuality particularly looking at the dynamics between self identified gay men and straight acting male prostitutes or rent boys A result of in depth interviews with both self identified gay men and rent boys Özbay explores the changing discourses and meaning of class gender and queer sexualities and how these three are embedded within urban and familial narratives

We Were Feminists Once Andi Zeisler, 2016-05-03 Feminism has hit the big time Once a dirty word brushed away with a grimace feminist has been rebranded as a shiny label sported by movie and pop stars fashion designers and multi hyphenate

powerhouses like Beyoncé It drives advertising and marketing campaigns for everything from wireless plans to underwear to perfume presenting what's long been a movement for social justice as just another consumer choice in a vast market Individual self actualization is the goal shopping more often than not the means and celebrities the mouthpieces But what does it mean when social change becomes a brand identity Feminism's splashy arrival at the center of today's media and pop culture marketplace after all hasn't offered solutions to the movement's unfinished business Planned Parenthood is under sustained attack women are still paid 77 percent or less of the man's dollar and vicious attacks on women both on and offline are utterly routine Andi Zeisler a founding editor of Bitch Media draws on more than twenty years experience interpreting popular culture in this biting history of how feminism has been co-opted watered down and turned into a gyratory media trend Surveying movies television advertising fashion and more Zeisler reveals a media landscape brimming with the language of empowerment but offering little in the way of transformational change Witty fearless and unflinching *We Were Feminists Once* is the story of how we let this happen and how we can amplify feminism's real purpose and power

Touching Encounters Kevin Walby, 2012-09-15 Often depicted as deviant or pathological by public health researchers psychoanalysts and sexologists male with male sex and sex work is in fact an increasingly mainstream pursuit Based on a qualitative investigation of the practices involved in male with male or m4m Internet escorting *Touching Encounters* is the first book to explicitly address how masculinity and sexuality shape male commercial sex in this era of Internet communications By looking closely at the sex and work of male escorts Kevin Walby tries to reconcile the two extremes of m4m sex the stereotypical idea of a quick cash transaction and the tendency toward friendship and mutuality In doing so Walby draws on the work of Foucault to make visible the play of power in these physical and commercial relations between men At once a revelation to the sociology of work and a much needed critical engagement with queer theory *Touching Encounters* responds to calls from across the social sciences to connect Foucault with sociologies of sex sexuality and intimacy Walby does this and more retying this sexual practice back to society at large
