PRESENT-DAY THOUGHTS ON THE AM Charles McLean Andrews,2017-01-13 Excerpt from Present Day Thoughts on the American Revolution Phi Beta Kappa Oration June 18th 1919 But the healthy instinct of future generations will not be content with such a vapid interpretation of our past it will demand the truth no matter how little attering it may prove to be and the day will come in fact it is not far distant when our history will be studied for its own sake and when the events of our Revolution will no longer be used to glorify ancestors to justify racial claims to prominence in our struggle for independence or what is worse than all else to increase the animosity toward Great Britain on the basis of events occurring a century and a half ago many of the current interpretations of our Revolutionary history are merely forms of propaganda designed for party advantage or founded on mistaken ideas of patriotic duty And when all these are swept away and the events of these momentous years are studied for the truth that is in them then only will the profession of historian have come into its own in America About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **An Oration Pronounced Before the Phi Beta Kappa Society of Harvard**

University, July 17, 1851 William Buell Sprague,1851 *Oration Before the Phi Beta Kappa Society of Brown University* Francis C. Gray,2018-01-13 Excerpt from Oration Before the Phi Beta Kappa Society of Brown University Providence R L On Commencement Day September 7 1842 Such a survey will show that there are many circumstances in our present condition leading to the belief that the generation now rising into active life in America is destined to exert an uncommon influence on the fortunes not only of our country but of the whole human race and it is my purpose at this time to point out some of those circumstances and some of the dangers and the duties that attend its career About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Our Family of States** Nehemiah Adams,2018-01-25 Excerpt from Our Family of States Oration Delivered Before the Phi Beta Kappa Society in Amherst College Dear Sir Having seen extracts from your P B K Oration at Amherst and believing that its circulation just now will be timely and useful We respectfully ask permission to issue it in pamphlet form About the Publisher

An Oration Pronounced Before the Phi Beta Kappa Society of Harvard University William B. Sprague, 2018-01-10
Excerpt from An Oration Pronounced Before the Phi Beta Kappa Society of Harvard University July 17 1851 French the language of the court and exerting himself in various ways to make it the language of the country But notwithstanding all his attempts successful and unsuccessful at revolution and oppression the Saxons not only remained in the land but constituted the larger part of its population Their language though essentially modified by a liberal infusion of foreign words and idioms still continued to be the popular language Their institutions though moulded into a new form by the influence of feudalism were still pervaded more or less by the Saxon spirit The two nations were perhaps equally bold and warlike but the Saxons were the more thoughtful the Normans the more impulsive the spirit of chivalry had much to do in moulding the character of the latter whereas we detect no traces of it in the character of the former For a while it was no easy matter for them to dwell together as brethren but time gradually subdued their mutual antipathies and fused them into a common mass so that the peculiarities of each could no longer be distinguished And About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
