murder love triangle that Kevin's editor will love and his fans will devour He begins to write Love You to Death Then on a beautiful summer day the wheels of homicide are set in motion and Kevin's own story begins to eclipse the crime he is chronicling When his 1 fan is murdered and another body turns up the Ryans life in Port Gamble and all that Kevin holds dear is in jeopardy Somewhere in Love You to Death and within the bunch of low rent losers he's interviewing is the killer

Lines of Desire Hanjo Berressem, 1998 This is an original analysis of the novels of Gombrowicz a fascinating figure of the 20th century European avant-garde Berressem examines the novels in light of both contemporary literary theory and Lacanian psychoanalysis

Ethics and Nostalgia in the Contemporary Novel John J. Su, 2005-11-24 Images of loss and yearning played a crucial role in literary texts written in the later part of the twentieth century Despite deep cultural differences novelists from Africa the Caribbean Great Britain and the United States share a sense that the economic social and political forces associated with late modernity have evoked widespread nostalgia within the communities in which they write In this original and wide-ranging study John J. Su explores the relationship between nostalgia and ethics in novels across the English-speaking world He challenges the tendency in literary studies to characterise memory as positive and nostalgia as necessarily negative Instead this book argues that nostalgic fantasies are crucial to the ethical visions presented by topical novels From Jean Rhys to Wole Soyinka and from V. S. Naipaul to Toni Morrison Su identifies nostalgia as a central concern in the twentieth-century novel
