Kolb, Suzanne de Janasz, Deepa Purushothaman, 2022-12-13 Build trust and create more value Whether you re negotiating a salary a deal with a supplier or your workload thoughtful preparation increases your confidence resilience and results But it s not just numbers and strategies Advocating for yourself your team and your business can feel personal so you also need to manage the emotions that arise during the process Next Level Negotiating provides the research advice and practical tips you need to counter the harmful stereotypes about women and negotiation to communicate clearly who you are and what you need Establish trust with your counterpart and face negotiations of any size with curiosity creativity and a collaborative mindset all the essentials to successfully seal a deal This book will inspire you to Set a clear target and imagine alternatives Consider your counterpart s context and perspective Manage the emotions in the room Strike a deal that works for you The HBR Women at Work Series spotlights the real challenges and opportunities women experience throughout their careers With interviews from the popular podcast of the same name and related articles stories and research these books provide inspiration and advice for taking on topics at work like inequity advancement and building community Featuring detailed discussion guides this series will help you spark important conversations about where we re at and how to move forward

Ambition Redefined Kathryn Sollmann, 2018-10-09 This is the playbook for how to get flexibility in your career Molly Beck author Reach Out and founder of MessyBun.com Critical advice for women when the traditional office job doesn t fit family life Meredith Bodgas Editor in Chief Working Mother magazine Sollmann advocates that we lean in to what she aptly labels one s own personal measure of success rather than a monolithic vision of the ideal career Whitney Johnson critically acclaimed author Build an A Team and Disrupt Yourself Thinkers50 Management Thinkers Ambition Redefined is a timely alternative to current women s business books that define professional ambition and success as climbing the corporate ladder In fact this is not a path that all women want or should feel pressured to follow Sollmann s focus is on the more critical and widespread workplace issue for everyday women to always work in a way that fits their lives alongside their two major caregiving roles for children and aging parents Sollmann debunks common assumptions such as IT S NOT WORTH IT UNLESS THE SALARY IS HIGH Women forfeit up to 4X their salaries every year out of the workforce to

care for children and or elderly parents and it does not take a six figure salary to achieve long term financial security

FINDING FLEXIBLE WORK IS IMPOSSIBLE Sollmann shines a bright light on the ever widening world of flexwork where women can find many interesting and exciting ways to tuck all generations of their families into a future that is financially secure and safe The book includes realistic practical tools for preparing for and finding flexible work within a current job or a new opportunity

IT WON T HAPPEN TO ME Divorce death of a spouse or unexpected financial support for aging parents are some of the life you never knows that all women could experience Divorce death of a spouse caring for aging parents or adult children are some of the life you never knows that all women could experience Sollmann encourages women to anticipate and buffer life surprises and she shows the profound impact of continual earning saving and investing toward a long and comfortable retirement

WORK ENDS AT AGE 65 Women who leave the workforce and want to return in their forties fifties or sixties will be in good company as the ranks of older workers rise Over the next two decades adults age 50 and over will have greater rates of workforce participation into their sixth and seventh decades

Eye opening and practical the book shows that when we redefine ambition we acknowledge that challenging lucrative work can be found in many flexible ways that favor personal satisfaction over public applause

Beyond Virtue Liz Jackson,2020-11-05 Educating students for emotional wellbeing is a vital task in schools However educating emotions is not straightforward Emotional processes can be challenging to identify and control How emotions are valued varies across societies while individuals within societies face different emotional expectations For example girls face pressure to be happy and caring while boys are often encouraged to be brave This text analyses the best practices of educating emotions The focus

is not just on the psychological benefits of emotional regulation but also on how calls for educating emotions connect to the aims of society The book explores psychology s understanding of emotions the politics of emotions and philosophy It also discusses education for happiness compassion gratitude resilience mindfulness courage vulnerability anger sadness and fear

Beyond the Happy Ending Kathryn Robson, 2025-02-04 Happiness and the question of how to define measure and facilitate it has become a key theme in political economic and social discourses in recent decades in France and elsewhere yet research on happiness in French culture and film has been limited Given that happiness is clearly gendered this book looks critically at the ways in which contemporary French women s writing and film give voice to and critique conceptions of happiness Analysing French and francophone women s writing including Nina Bouraoui H l ne Cixous Annie Ernaux Camille Laurens Le la Slimani Delphine de Vigan and film including Claire Denis C line Sciamma and Agn s Varda I focus on five main areas images of happiness in consumer and Internet culture happiness and intimacy in the family and the home queering happiness migrated happiness and happiness and ageing Whilst the happiness turn is problematic the desire for happiness however fraught matters and I show how representations of happiness in contemporary French women s writing and film offer alternative conceptions of happiness that enable us to rethink happiness in more critical diverse and inclusive terms
