Beyond The Ego Where Love Joy And Peace Of Mind Await You:

Beyond the Ego David Mutchler, 2012-01-25 We live in a marketplace filled with valuable ideas for how to be happy yet people continue to suffer We are just now awakening to the principal source of our unhappiness and suffering which is ego Ego wreaks havoc in our daily lives from the pain that individuals couples and families experience all the way up to global tensions and international conflict Most people think of ego as an inflated sense of self importance but this is only a fraction of what it really is Ego is the misidentification of who we are as beings It drives us to think and behave in ways that are inconsistent and incongruent with whom we really are leading always to dissatisfaction and suffering The secret to finding happiness is to loosen ourselves from egos painful grip by going beyond ego and entering the world of Spirit the source of true joy and peace To do so we must first travel through the ego Without proper guidance this trip can be perilous because ego to ensure its own survival makes every attempt to derail us along the way Beyond the Ego is an easy to follow step by step guide to help you make this journey safely The seeds of happiness joy and peace of mind will take root at the outset of your journey and continue to grow every step of your way *Lessons for Living Beyond the Ego* David Mutchler, 2012-01-25 Everyone desires happiness and countless ways have been proposed to help you achieve it Whats commonly overlooked is that happiness is our natural state and therefore must be allowed rather than achieved The way to allow happiness in your life is to awaken to the truth that everyone has an ego that ego blocks our happiness just as clouds block the sun from shining through The secret to finding happiness is not something you do you need only become aware of the presence of ego in your life This requires learning what ego is where it comes from where it hides how it presents itself and how to recognize it when you find it Your awareness of ego causes it to gradually dissipate The more conscious you become of it the more the light of happiness shines within you This light is the light of Spirit Awakening to the presence of ego inside you is the sure path to grow beyond your ego and to live a spiritual life the gifts of which are happiness joy and peace of mind Growing beyond ones ego to achieve happiness is a journey not a one time event *Lessons for Living Beyond the Ego* is a collection of fifty two lessons to help you stay on the path of your journey into happiness It can be read either as a follow up to *Beyond the Ego* a previous book by David Mutchler or as an introduction to it Theism Vs. Atheism David G. Mutchler, 2021-11-08 The greater part of awareness is a mind open to new ideas We live in a world at high risk of widespread catastrophe The existential threats that engulf us are huge and solutions are slow in coming in large part because of the ideological disagreements that stand in the way of full scale international cooperation High on the list of those divides is the theism atheism schism which continues to heat up due to the fact that theism especially Christianity is in significant decline while atheism is expanding rapidly Trends strongly suggest that the number of atheists in the world will steadily approach the number of Christians And due to their completely opposite views on the all important subject of God the disdain between them will likely become increasingly combustible as each side fights for dominance The battle between them could seriously

dampen any promise of full blown international teamwork to prevent unimaginable global disaster Theism Vs Atheism Where the Twain Shall Meet is about healing the theism atheism divide while there is still time Doing so will bring renewed hope that peace on earth is still a real possibility **To God Or AS GOD** Darel A.
