Beyond Fundamentalism Confronting Religious Extremism In The Age Of Globalization Paperback:

Beyond Fundamentalism Reza Aslan, 2010-04-06 A very persuasive argument for the best way to counter jihadism The Washington Post from the bestselling author of *Zealot* and host of *Believer* The wars in the Middle East have become religious wars in which God is believed to be directly engaged on behalf of one side against the other The hijackers who attacked America on September 11 2001 thought they were fighting in the name of God According to award winning writer and scholar of religions Reza Aslan the United States by infusing the War on Terror with its own religiously polarizing rhetoric is fighting a similar war a war that can't be won *Beyond Fundamentalism* is both an in depth study of the ideology fueling militants throughout the Muslim world and an exploration of religious violence in Judaism Christianity and Islam At a time when religion and politics increasingly share the same vocabulary and function in the same sphere Aslan writes that we must strip the conflicts of our world of their religious connotations and address the earthly grievances that always lie at its root How do you win a religious war By refusing to fight in one Featuring new content and updated analysis Originally published as *How to Win a Cosmic War* A thoughtful analysis of America's War on Terror The New Yorker Offers a very persuasive argument for the best way to counter jihadism The Washington Post Reza Aslan dissects a complex subject terrorism and globalization and distills it with a mix of narrative writing personal anecdotes reportage and historical analysis San Francisco Chronicle Aslan is not only a perspicuous thoughtful interpreter of the Muslim world but also a subtle psychologist of the call to jihad Los Angeles Times A meaty analysis of the rise of Jihadism dispels common misconceptions of the War on Terror age San Jose Mercury News It is Aslan's great gift to see things clearly and to say them clearly and in this important new work he offers us a way forward He is prescriptive and passionate and his book will make you think Jon Meacham Pulitzer Prize winning author of *American Lion*

Beyond Fundamentalism Reza Aslan, 2010-04-06 A very persuasive argument for the best way to counter jihadism The Washington Post from the bestselling author of *Zealot* and host of *Believer* The wars in the Middle East have become religious wars in which God is believed to be directly engaged on behalf of one side against the other The hijackers who attacked America on September 11 2001 thought they were fighting in the name of God According to award winning writer and scholar of religions Reza Aslan the United States by infusing the War on Terror with its own religiously polarizing rhetoric is fighting a similar war a war that can't be won *Beyond Fundamentalism* is both an in depth study of the ideology fueling militants throughout the Muslim world and an exploration of religious violence in Judaism Christianity and Islam At a time when religion and politics increasingly share the same vocabulary and function in the same sphere Aslan writes that we must strip the conflicts of our world of their religious connotations and address the earthly grievances that always lie at its root How do you win a religious war By refusing to fight in one Featuring new content and updated analysis Originally published as *How to Win a Cosmic War* A thoughtful analysis of America's War on Terror The New Yorker Offers a very persuasive argument for the best way to counter jihadism The Washington Post Reza

Aslan dissects a complex subject terrorism and globalization and distills it with a mix of narrative writing personal anecdotes reportage and historical analysis San Francisco Chronicle Aslan is not only a perspicuous thoughtful interpreter of the Muslim world but also a subtle psychologist of the call to jihad Los Angeles Times A meaty analysis of the rise of Jihadism dispels common misconceptions of the War on Terror age San Jose Mercury News It is Aslan s great gift to see things clearly and to say them clearly and in this important new work he offers us a way forward He is prescriptive and passionate and his book will make you think Jon Meacham Pulitzer Prize winning author of American Lion **Nietzsche Was Probably Right:**

A Postcritical Assessment of the Christian Paradigm and Its Deity Steven Malinak,2014-07-13 For a variety of reasons recent literature that focuses on the rationality of belief in God and the viability of the Christian worldview fails to stimulate critical thinking in the general population of believers Nietzsche Was Probably Right succeeds where many of these other works miss the mark It educates rather than coerces it focuses on issues critically relevant to the vast majority of Christians most importantly it does not preach to the choir but instead offers a balanced objective comprehensive overview of the issues Its tone and inclusive unbiased approach welcomes nonbelievers and believers into this important conversation offering a perspective that will satisfy anyone seeking a critical understanding of the Christian faith and its deity *Conjectures and Controversy in the Study of Fundamentalism* W. Paul Williamson,2020-06-22 In *Conjectures and Controversy in the Study of Fundamentalism* W Paul Williamson takes a critical look at the sociohistorical emergence of fundamentalism and examines how historians constructed popular though questionable conceptions of the movement that have dominated decades of empirical research in psychology He further analyzes the notions of militancy and anti modernity as valid characterizations of fundamentalism and examines whether fundamentalism as a Christian Protestant phenomenon is useful in labelling global forms of religious extremism and violence In observing the lack of theory driven research the publication offers theories that situate fundamentalism as a social psychological phenomenon as opposed to some personal predisposition Students and scholars of fundamentalism will discover *Conjectures and Controversy in the Study of Fundamentalism* to be a provocative study on the topic **Research in the Social Scientific Study of Religion, Volume 30** Ralph W. Hood,Sariya

Cheruvallil-Contractor,2019-12-16 The 30th volume of *Research in the Social Scientific Study of Religion* consists of two special sections as well as two separate empirical studies on attachment and daily spiritual practices The first special section deals with the social scientific study of religion in Indonesia Indonesia is a predominantly Muslim country whose history and contemporary involvement in the study of religion is explored from both sociological and psychological perspectives The second special section is on the Pope Francis effect the challenges of modernization in the Catholic church and the global impact of Pope Francis While its focus is mainly on the Catholic religion the internal dynamics and geopolitics explored apply more broadly *The Political Theology of Paul Tillich* Rachel Sophia Baard,2024-01-16 *The Political Theology of Paul Tillich* explores the political theology of one of the foremost thinkers of the 20th century Paul Tillich whose life and scholarship were

decisively shaped by his experiences during World War I his resistance to the rising scourge of Nazism in Germany and his subsequent immigration to the United States Tillich's discerning analysis of fascism grounded in his socialist commitments and his continuing efforts to write theology in correlation with culture make his voice a crucial one for contemporary political theology The contributors to this volume represent different generations social and cultural locations and nationalities Together they explore Tillich's early work on religious socialism and its lingering presence in his later systematic theology bring him into dialogue with liberation theologies apply his thought to contemporary political concerns and show the significance of his method of correlation for theological scholarship that engages culture thereby presenting a case for the continued relevance of Tillich for political theology **Controversies in Contemporary Islam** Oliver Leaman, 2013-10-08

This book helps to deepen our understanding of the varieties of contemporary Islam and the issues that are of most concern to Muslims today Oliver Leaman explores some of the controversies and debates that exist within Islam and between Islam and other religions He considers how the religion can be defined by looking at the contrast between competing sets of beliefs and arguments amongst Muslims themselves over the nature of the faith Areas covered include Qur'anic interpretation gender finance education and nationalism Examples are taken from a range of contexts and illustrate the diversity of approaches to Islam that exists today The Irony of Barack Obama R. Ward Holder, Peter B. Josephson, 2016-03-09

Drawing on the political theology of Reinhold Niebuhr described by Barack Obama as one of my favourite philosophers this book assesses the challenges facing the President during his first term It evaluates his success in adhering to Niebuhr's path of Christian realism when faced with the pragmatic demands of domestic and foreign affairs In 2008 Candidate Obama used the ideas of Hope and Change to inspire voters and secure the presidency Obama promised change not only regarding America's policies but even more fundamentally in the nation's political culture Holder and Josephson describe the foundations of President Obama's Christian faith and the extent to which it has shaped his approach to politics Their book explores Obama's journey of faith in the context of a broadly Augustinian understanding of faith and politics examines the tensions between Christian realism and pragmatic progressivism explains why a Christian realist interpretation is essential to understanding Obama's presidency and applies this model of understanding to considerations of foreign and domestic policy By combining this theological and political analysis the book offers a special opportunity to reflect on the relationship between Christian faith and statesmanship reflections that are missing from current popular discussions of the Obama presidency Through consideration of Niebuhr's models of the prophet and the statesman and the more popular alternative of the political evangelist Holder and Josephson are better able to explain the president's successes and his failures and to unveil the Augustinian limits of the political life Powerful Peace J. Robert DuBois, 2012-07-01 A Special Forces veteran and security advisor shares what he's learned about dealing with conflict A powerful book Peter Bergen In this honest hard hitting look at war and peace a Navy SEAL and experienced security consultant explains that force is sometimes necessary

that persuasion is more powerful and that some conflict is unnecessary and preventable The goal of Powerful Peace is to open the reader s mind about other cultures to comprehend that different does not have to mean wrong and that an individual s life can be richer and more enjoyable when conflicts are handled wisely Never before has a book been written by a SEAL with the intent of reducing conflict and its painful consequences for innocent victims Powerful Peace addresses the hot topic of American fatigue from the wars in Iraq and Afghanistan and in a political environment that has soured many citizens confidence in the direction of our national leadership it offers hope that real solutions are available Folks in Washington know Rob DuBois The Velvet Glove Now you can know the iron fist inside that glove Rear Adm Brian Losey Commander Special Operations Command Africa Who else but a warrior could write so elegantly about peace Reza Aslan

Play Among Books Miro Roman,Alice _ch3n81,2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science

Decoding **Beyond Fundamentalism Confronting Religious Extremism In The Age Of Globalization Paperback**: Revealing the Captivating Potential of Verbal Expression
