Reconstituting the Liberal Self

Jack Crittenden

Beyond Individualism Reconstituting The Liberal Self

Jack Crittenden

Beyond Individualism Reconstituting The Liberal Self:

Beyond Individualism Jack Crittenden, 1992 *Beyond Individualism* Jack Crittenden, 1992 An examination of the debate in political theory about the true concept of human nature The author argues that current concepts of the liberal and communitarian self are unacceptable and draws upon recent psychological research to develop a theory of compound individuality **Becoming a Cosmopolitan** Jason D Hill, 2023-06-14 The philosopher and author of *Beyond Blood Identities* offers a new paradigm of persona freedom and moral self possession As a Jamaican immigrant arriving in the United States at the age of twenty Jason Hill noticed how often Americans identified themselves in terms of race and ethnicity He observed for example the reluctance of West Indians to join black causes for fear of losing their identity He began to ask himself what sort of world he wanted to live in a quest that in time led him to the idea of the cosmopolitan In *Becoming a Cosmopolitan* Jason D Hill argues that we need a new understanding of the self He revives the idea of the cosmopolitan the person who identifies the world as home Arguing for the right to forget where we came from Hill proposes a new moral cosmopolitanism for the new millennium **Recovering the Liberal Spirit** Steven F. Pittz, 2020-09-01 Develops a theory of spiritual freedom and explores its relationship to problems of liberal political regimes Liberalism is often castigated for being spiritually empty and unable to provide meaning for individuals Is it true that there simply is no spiritual side to liberalism In *Recovering the Liberal Spirit* Steven F Pittz develops a novel conception of spiritual freedom Drawing from Nietzsche and his figure of the free spirit as well as from thinkers as varied as Mill Emerson Goethe Hesse C S Lewis and Tocqueville Pittz examines a tradition of individual freedom best described as spiritual Spiritual freedom is an often overlooked category of liberal freedom and it provides a path to meaning without a return to communal or traditional life While carefully considering Progressive and Communitarian counterarguments Pittz argues for both the possibility and the desirability of a free spirited life Citizens who are free spirits deliver great benefits to liberal democracies primarily by combatting dogmatism and fanaticism and the putative authority of public opinion *Ideas, Ideologies, and Social Movements* Peter A. Coclanis, Stuart Weems Bruchey, 1999 This volume uncovers the role of ideas and ideologies in some of the most important social movements in US history The book examines attempts to bring about or to thwart social or institutional change from political democratization and feminism to animal rights and civil rights **The Importance of Insight** Michael Vertin, 2007-01-01 Written in honour of Michael Vertin the distinguished philosopher and Lonergan scholar at the University of Toronto *The Importance of Insight* brings together a number of thoughtful essays by leading Lonergan scholars These essays investigate the importance of Lonergan's articulation of insight and how it can be applied within the fields of cognitive theory theology ethics and politics The contributors address several issues emerging from the post Enlightenment crisis of meaning and value as well as more specific contemporary concerns such as the nature of Christian revelation the articulation of Church doctrine and the ethical training health care professionals should receive By indicating what there is to be gained by understanding

and applying insight in a number of different contexts this collection highlights the relevance of Lonergan's thought in the contemporary intellectual and cultural milieu and at the same time makes a significant contribution to the development of Lonergan's thought itself. In this way *The Importance of Insight* offers a window into cutting edge Lonergan scholarship and some of its central concerns and preoccupations.

The Great Delusion John J. Mearsheimer, 2018-01-01 A major theoretical statement by a distinguished political scholar explains why a policy of liberal hegemony is doomed to fail. It is widely believed in the West that the United States should spread liberal democracy across the world, foster an open international economy and build international institutions. The policy of remaking the world in America's image is supposed to protect human rights, promote peace and make the world safe for democracy. But this is not what has happened. Instead, the United States has become a highly militarized state fighting wars that undermine peace, harm human rights and threaten liberal values at home. In this major statement, the renowned international relations scholar John Mearsheimer argues that liberal hegemony, the foreign policy pursued by the United States since the Cold War ended, is doomed to fail. It makes far more sense, he maintains, for Washington to adopt a more restrained foreign policy based on a sound understanding of how nationalism and realism constrain great powers abroad. *The Great Delusion* is a lucid and compelling work of the first importance for scholars, policymakers and everyone interested in the future of American foreign policy.

Autonomy and the Challenges to Liberalism John Christman, Joel Anderson, 2005-02-07 In recent years the concepts of individual autonomy and political liberalism have been the subjects of intense debate, but these discussions have occurred largely within separate academic disciplines. *Autonomy and the Challenges to Liberalism* contains essays devoted to foundational questions regarding both the notion of the autonomous self and the nature and justification of liberalism. Written by leading figures in moral, legal and political theory, the volume covers inter alia the following topics: the nature of the self and its relation to autonomy; the social dimensions of autonomy; and the political dynamics of respect and recognition and the concept of autonomy underlying the principles of liberalism.

Personal and Moral Identity A.W. Musschenga, A.W. van Haaften, B. Spiecker, M.V. Slors, 2013-03-14 The subject of personal and moral identity is at the centre of interest not only of academic research within disciplines such as philosophy and psychology but also of everyday thinking. This is why the Netherlands School for Research in Practical Philosophy and the Institute for Ethics of the Vrije Universiteit in Amsterdam took the initiative to bring together scholars from various disciplines interested in the subject. The expert seminar on Personal and Moral Identity took place from 12-14 January 1999. Financial contributions from the Vrije Universiteit, the Dutch Scientific Organisation NWO and the Royal Dutch Academy for the Sciences KNAW made the event possible. The chapters in this book either go back to papers presented at the seminar or were written afterwards by participants inspired by the discussions that took place during the seminar. We are very grateful to Dr Hendrik Hutter for his assistance in editing the texts and making the manuscript camera-ready. December 2001. The Editors.

1 Introduction Albert W. Musschenga Although scholars studying the identity of persons

usually address diverging issues and have different research agendas there is a growing awareness that one may benefit from insights and results present in other disciplines dealing with that subject This explains the enthusiastic responses to the invitation of the Netherlands School for Research in Practical Philosophy and the Institute for Ethics of the Vrije Universiteit to participate in a seminar on Personal and Moral Identity

What a Woman Ought to Be and to Do Stephanie J. Shaw, 2010-01-15 Stephanie J Shaw takes us into the inner world of American black professional women during the Jim Crow era This is a story of struggle and empowerment of the strength of a group of women who worked against daunting odds to improve the world for themselves and their people Shaw's remarkable research into the lives of social workers librarians nurses and teachers from the 1870s through the 1950s allows us to hear these women's voices for the first time The women tell us in their own words about their families their values their expectations We learn of the forces and factors that made them exceptional and of the choices and commitments that made them leaders in their communities What a Woman Ought to Be and to Do brings to life a world in which African American families communities and schools worked to encourage the self confidence individual initiative and social responsibility of girls Shaw shows us how in a society that denied black women full professional status these girls embraced and in turn defined an ideal of socially responsible individualism that balanced private and public sphere responsibilities A collective portrait of character shaped in the toughest circumstances this book is more than a study of the socialization of these women as children and the organization of their work as adults It is also a study of leadership of how African American communities gave their daughters the power to succeed in and change a hostile world

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Beyond Individualism Reconstituting The Liberal Self eBooks, including some popular titles.

FAQs About Beyond Individualism Reconstituting The Liberal Self Books

What is a Beyond Individualism Reconstituting The Liberal Self PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Beyond Individualism Reconstituting The Liberal Self PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Beyond Individualism Reconstituting The Liberal Self PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Beyond Individualism Reconstituting The Liberal Self PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Beyond Individualism Reconstituting The Liberal Self PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
