

A photograph of a slum street. In the foreground, a young girl with dark hair, wearing a green dress over a white shirt, stands with her back to the camera, looking down a dirt path. The path is littered with debris. On either side of the path are makeshift, multi-story buildings made of various materials like wood, metal, and corrugated metal. Laundry is hanging from lines between the buildings. In the background, more buildings and a few other people are visible under a clear sky.
