Beyond The Frozen Forest:

Beyond the Frozen Forest Sandy Broome, Alan Capps, 2012-12-18 All of the snow children enjoy their days in the forest with the boy who made them but when an old troll promises that a magnificent meadow is a much better place to live their decision to follow him places them in peril As the meadow s sunshine begins making them melt the boy s love for the snow children he created prompts an amazing rescue plan But will they realize what s at stake before it s too late This is a story about decisions and destinies Grace is offered to every wanderer who has ventured Beyond the Frozen Forest Beyond All War Eric Keller, 2019-08-01 Wars end struggles persists An unseen war reaches the far north of Canada One extended family relying on the matriarch s instincts flee ahead of the attack to seek refuge at a long forgotten hunting lodge hoping the deep isolation will protect them A former military leader seeing the impending anarchy as an opportunity to establish a realm of his own consolidates survivors he deems useful and carves out an existence by looting and pillaging the remnants of civilization Years later when a young man s desperate desire to return home causes these two fledgling and disparate societies to collide the outcome will determine which world order will reign **Storm of the Sea** Matthew R. Bahar, 2019 Wabanaki communities across northeastern North America had been looking to the sea for generations before strangers from the east began arriving there in the sixteenth century Storm of the Sea narrates how by the Atlantic s Age of Sail the People of the Dawn were mobilizing the ocean to achieve a dominion governed by its sovereign masters and enriched by its profitable and compliant tributaries Beyond the End of the Road Michael D. Pitt, 2009-08 Join Kathleen and Michael Pitt as they leave the comfort and temperate climate of suburban Vancouver to spend an isolated winter north of the Arctic Circle With neither power nor running water over 40 kilometres from the nearest community of 75 people this middle aged couple learns to embrace temperatures that regularly fall below minus 40 degrees From their home base in a small one room cabin they seek the challenge of winter camping and the adventure of expeditions across the ice In January 1999 the Pitts flew by Twin Otter to Colville Lake to pursue Michael s life long dream of living beyond the reach of roads and concrete By the time the ice went out of the lakes and rivers in mid June their lives had been changed forever Michael and Kathleen Pitt had been paddling the rivers of Northern Canada for ten years Yet their experience seemed incomplete Summer is for visitors Michael needed to spend a winter in the North where rivers lakes and muskeg remain frozen for 7 to 8 months of the year Only by following the winter trail did Michael believe that he could truly know the character and soul of Canada s vast seemingly limitless Northern landscape A mesmerizing account of the North s beauty and the winter Michael and his wife Kathleen lived in a tiny cabin above the Arctic Circle Well written and insightful this book will delight anyone who has explored the northern latitudes or dreams of doing so Julie Angus author of Rowboat in a Hurricane My Amazing Journey Across a Changing Atlantic Ocean Personal humorous and witty Pitt has crafted an Ode to Winter sharing with us practical tips of wintercraft philosophical musings and personal observations on life the North and the majesty of Winter Alan Fehr 21 year
