The City Is Up for Grabs Gregory Royal Pratt, 2024-04-02 Gregory Pratt had a rare front row seat to the passions problems peculiarities hopes disappointments shenanigans and pettiness in the drama and farce that was Lori Lightfoot's uneasy tenure on the fifth floor at City Hall What he delivers on these pages takes us backstage to give us a powerful incisive portrait of the woman the details of her mayoralty and the many players who shared the stage Rick Kogan Chicago Tribune reporter and author of *A Chicago Tavern* Chicago is a world class city but it is also a city in crisis Crime is up schools have repeatedly shut down due to conflict between City Hall and the powerful teachers union and COVID 19 only deepened the entrenched poverty institutional racism and endless tug of war

between the city's haves and have nots For four years the person at the center of this storm was Lori Lightfoot A groundbreaking figure the first Black gay woman to be elected mayor of a major city and only the second female mayor of Chicago she knew the city was at a critical turning point when she took office in 2019 But the once in a lifetime challenges she ended up facing were beyond anything she or anyone else saw coming Chicago Tribune reporter Gregory Royal Pratt offers the first comprehensive behind the scenes look at the tumultuous single term of Mayor Lightfoot and the chaos that roiled the city and City Hall as she fought to live up to her promises to change the city's culture of corruption and villainy reform its long troubled police department and make Chicago the safest big city in America Some of Chicago's problems can be explained by forces greater than the mayor national polarization long standing cultural and racial tensions our plague years But some are the result of Lightfoot's poor leadership at City Hall a story that hasn't been told in full until now

listen. bless. repeat. Danielle Zieroff, 2019-08-14 For most of her life Danielle was under the assumption that only pastors and strong Christians could hear from God While on a short term mission trip she watched from the sidelines as teenagers participated in a simple yet powerful pray and go activity These young people were hearing God's voice and responding This mind blowing experience led her to question what it meant to know and interact with the living God Could she actually hear from God Could she decipher His voice in the chaos of life She also had to wonder if people everywhere are hearing from God why aren't we hearing more about it Why aren't more people sharing their stories so others are inspired to experience God in their lives Join her on her brave journey as she shares with readers her raw account of moving from skeptic to prayer warrior You will read how completely normal it is to hear from God be motivated to find ways God speaks to you and experience the incredible joy that comes when you listen for God's voice to bless others It is Danielle's desire that you will be inspired to turn your faith up a notch and make it a daily habit to spread joy in the simplest of ways Listen Bless Repeat Danielle Zieroff is an elementary teacher and a self described feisty firecracker Her passion is using her spiritual gift of encouragement to mentor motivate and inspire others Whether it's empowering little ones in the classroom ministering in the jails leading mission trips or hosting Bible studies her purpose is the same to boldly use all the God given energy bundled up inside her and make a positive impact on anyone in her circle of influence She believes writing her first book about her faith journey is her big Esther moment Danielle resides in Michigan with her husband and three sons You can follow her adventures at www.daniellezieroff.com
