Storm Called Katrina , When the Planet Rages Charles Officer, Jake Page, 2009-08-28 When the Planet Rages describes some of the great events of environmental history from natural calamities such as the Lisbon earthquake of 1755 and the ice ages to man made disasters such as Chernobyl acid rain and the depletion of the ozone layer Officer and Page provide fascinating discussions of meteorites and comets of the demise of mammoths mastodons and dinosaurs and of great floods that have swept the earth But they also show that human activity can make trouble for nature from the depletion of natural resources to air and water pollution

Was the Cat in the Hat Black? Philip Nel, 2017 Racism is resilient duplicitous and endlessly adaptable so it is no surprise that America is again in a period of civil rights activism A significant reason racism endures is because it is structural it s embedded in culture and in institutions One of the places that racism hides and thus perhaps the best place to oppose it is books for young people Was the Cat in the Hat Black presents five serious critiques of the history and current state of children s literature tempestuous relationship with both implicit and explicit forms of racism The book fearlessly examines topics both vivid such as The Cat in the Hat s roots in blackface minstrelsy and more opaque like how the children s book industry can perpetuate structural racism via whitewashed covers even while making efforts to increase diversity Rooted in research yet written with a lively crackling touch Nel delves into years of literary criticism and recent sociological data in order to show a better way forward Though much of what is proposed here could be endlessly argued the knowledge that what we learn in childhood imparts both subtle and explicit lessons about whose lives matter is not debatable The text concludes with a short and stark proposal of actions everyone reader author publisher scholar citizen can take to fight the biases and prejudices that infect children s literature While Was
