A Study In The Revelation:

The Victorious Christ Charles Freeman Sleeper, 1996-01-01 C Freeman Sleeper offers a logical and nonthreatening way for readers to study the book of Revelation First he introduces the reader to the basic questions Then he acquaints readers with matters such as imagery and symbolism and their use in other texts from the same period Finally he deals with the difficult issues of interpretation and the implications of Revelation for Christians today The Victorious Christ is the perfect guide for non specialists in search of a reliable and interesting exploration of the book of Revelation Study questions and exercises are provided to offer additional support

Hidden In Plain Sight: A Study of the Revelation to John Uchenna Mezue, 2015-10-03 The Revelation to John has been with us for about 2000 years and has been the subject of diverse attempts at interpretation The Revelation as given is a vision of the end time work of the Son of Man and the sole purpose is to prepare humanity for that mission and offer them the chance to recognise the last Envoy of God when He does come It is only with this understanding in view that the Revelation can be appreciated All the promised messages for the end time are now available to us and I believe we are in a better position to understand the message of The Revelation Indeed I believe that we urgently need to understand its message The urge and pressure amongst all striving human spirits to unravel the mysteries of The Revelation represents this need This study is not a substitute for The Revelation but may be regarded as a call for a deeper study and hopefully an awakening to the need to experience the times in a more alert manner The work is offered in the recognition that the Revelation is being fulfilled in this epoch and as such is a must read for all striving human spirits
