Hollinger,2002-09 An intelligent discussion of the foundations and methods in ethics and ways to apply a Christian worldview to our secular culture      *Moral Passion and Christian Ethics* Robin Gill,2017-03-06 In this book Robin Gill argues that moral passion and rational ethical deliberation are not enemies and that moral passion often lurks behind many apparently rational ethical commitments He also contends that though moral passion is a key component of truly selfless moral action without rational ethical deliberation it can also be extremely dangerous Gill maintains that a reanalysis of moral passion is overdue He inspects the gap between the purely rational accounts of ethics provided by some moral philosophers and the normative positions that they espouse and or the moral actions that they pursue He also contends that Christian ethicists have not been adept at identifying their own implicit moral passion or at explaining why it is that doctrinal positions generate passionately held moral conclusions Using a range of disciplines including cognitive science and moral psychology alongside the more usual disciplines of moral philosophy and religious ethics Gill also makes links with moral passion in other world faith traditions      *The Moral Quest* Stanley J. Grenz,2016-09-27 Stanley J Grenz masterfully leads readers into a theological engagement with moral inquiry that is a first rate introduction to Christian ethics
