A Voice Through A Cloud:

A Voice Through a Cloud Denton Welch, 2015-04-07 Welch's piercing intimate slightly fictionalized and posthumously published work deals with the bicycle accident that would cause his death thirteen years later. At age twenty Denton Welch was bicycling from London where he was studying art to Surrey to pay a visit to his aunt and uncle when he was struck by a car. The next thing he knew he was lying on his back unable to move, gazing up at the sky scarcely aware of anything but the sensation of grass against the back of his neck and the sound of a voice asking him questions. As he swam in and out of consciousness, nurses, doctors, and relatives came and went; days passed and he remained bedridden in a hospital ward. In his characteristic unsparing prose, Welch takes readers through every step of his painful journey toward a partial recovery. Full of unflinching self-scrutiny, *A Voice Through a Cloud* is an unforgettable work of pain and healing.
