A Week With My Romanian:

The Romanian Bruce Benderson, 2006-02-02 Winner of the 2004 Prix de Flore one of France's most distinguished literary prizes a wildly romantic true life love story History follows a trail of sputtering desire often calling upon the delusions of lovers to generate the sparks If it weren't for us the world would suffer from a dismal lack of stories writes Bruce Benderson in this brutally candid memoir What astonishes and intrigues is Benderson's way of recounting in the sweetest possible voice things that are considered shocking wrote Le Monde What's so shocking It's not just Benderson's job translating Celine Dion's saccharine autobiography which he admits is driving him mad but his unrequited love for an impoverished Romanian in cheap club kid platforms with dollar signs in his squinting eyes whom he meets while on a journalism assignment in Eastern Europe Rather than retreat Benderson absorbs everything he can about Romanian culture and discovers an uncanny similarity between his own obsession for the Romanian named Romulus and the disastrous love affair of King Carol II the last king of Romania 1893-1953 Throughout Benderson absolutely free of bitterness nastiness or any desire to protect himself wrote Le Monde is sustained by little white codeine pills a poetic self-awareness a sense of humor and an unwavering belief in the perfect romance even as wild dogs chase him down Romanian streets *A Romanian Immigrant Pioneer, Trailblazer, and Champion in Helping Humanity and the Better Good* Dr. Dumitru (Dan) Carstea, 2010-09-30 In this book Dr Carstea shares how he was able to realize his potential and succeed in his chosen career while living a blessed and happy life with his loved ones He begins by recalling his years of youth in Romania his years of education while opposing the Russian communists finding the love of his life and building a life together in America since 1961 Through his story he addresses his fellow immigrants giving them a fresh perspective on what to expect in this land of opportunity This autobiographical book also features the published works research and work experiences of the author in the past seventy-eight years Readers will find Dr Carstea as a man with dedication and focus as he records his life's journey A man with uncommon vision Dr Dan Carstea is truly A Romanian Immigrant Pioneer Trailblazer and Champion in Helping Humanity and the Better Good Witnessing Romania's Century of Turmoil Nicolae Mărgineanu, 2017 The story of psychologist Nicolae Mărgineanu's imprisonment and survival conveys in detail the impact of Communist rule in Romania Continuing the President's Authority to Waive the Trade Act Freedom of Emigration Provisions United States. The Long 1968 in Hungary and Romania Adrian-George Matus,2023-12-31 This book advances a local regional and comparative analysis of the history of the sixty eighters from Hungary and Romania between 1956 and 1975 The aim of the book is to answer to the following research question to what extent does the long 1968 mark and change protest history Another axis of my research equally important is how can one genuinely distinguish between a protest an opposition and a pastime Where did radicalisation truly begin and when was it solely an auto perception as a dissident In other words how can one truly distinguish between a leisure activity like listening to Radio Free Europe or exploring an altered state of consciousness and an explicit political activity like organising a protest or writing subversive texts Among other aims the books s scope is to understand where a leisure activity ends and a protest starts By practicing counterculture did the youth wish to contest the system or simply express themselves As method oral history plays a crucial part On a superficial level the interviews helped to fill in the archival gap However oral testimonies

proved to reveal much more than essential factual information Oral history clarified how political and social events influenced the subjects memory formation
