Abraham Isaac Catching The Ram:

Abraham's Silence J. Richard Middleton, 2021-11-16 It is traditional to think we should praise Abraham for his willingness to sacrifice his son as proof of his love for God But have we misread the point of the story Is it possible that a careful reading of Genesis 22 could reveal that God was not pleased with Abraham's silent obedience Widely respected biblical theologian creative thinker and public speaker J Richard Middleton suggests we have misread and misapplied the story of the binding of Isaac and shows that God desires something other than silent obedience in difficult times Middleton focuses on the ethical and theological problem of Abraham's silence and explores the rich biblical tradition of vigorous prayer including the lament psalms as a resource for faith Middleton also examines the book of Job in terms of God validating Job's lament as right speech showing how the vocal Job provides an alternative to the silent Abraham This book provides a fresh interpretation of Genesis 22 and reinforces the church's resurgent interest in lament as an appropriate response to God *Sacred Music Drama* Carl Gerbrandt, 2006-12-28 The indelible imprint of sacred music drama throughout history is undeniable and its resurgence in the twentieth and twentieth first centuries stirs the curiosity Carl Gerbrandt in pursuing these issues has brought to our fingertips a stimulating historical perspective on sacred music drama as well as an extensively annotated list of repertoire Years of research have gone into providing information on centuries of sacred music dramas operas which for the most part have been known to very few Included in these pages of his Second Edition are over 330 sacred music dramas operas each with scholarly and practical information that will be of interest and great value to the opera director the performer the scholar the conductor and the church musician Gerbrandt's SETTING THE STAGE section is an enlightening overview of sacred music history The repertoire selected includes works from the Middle Ages to works being written today Each work is reviewed with regard to the source of libretto the style and difficulty of its musical content the date and location of the first performance the number of acts and scenes and the performance length of the work Additionally each role is listed by name and voicing and in most cases the vocal range is indicated The choral demands orchestrations and dance requirements are identified A thorough plot synopsis as well as the location of scores and parts is given Ten appendices cross reference textual sources and topical content while assisting in the selection of works for worship services or theatrical performances Select contact information of publishers and composers is also included *Sacred Music Drama The Producer's Guide* fills a long standing void by acquainting directors students performers and interested readers with the numerous sacred music dramas which are available *Undeniable Biblical Proof Jesus Christ Will Return to Planet Earth Exactly 2,000 Years After the Year of His Death* Gabriel Ansley, 2010 Let me ask you a question you probably never pondered WHY did God create the world in 6 days Do you think God had NO logic motive or purpose behind using that specific number of days Do you think He just placed a bunch of numbers in a hat and nonchalantly drew one Or do you think the cosmos required that number of days to be completed as if God could not have created it in 2 3 5 9 12 23 or however many days Friend you should

know better God can DO ANYTHING which brings us back to the original question The answer to this mystery is contained in the Bible and its gradual albeit secret uncovering in story after story leads to the stunning title of this book Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2 000 Years After The Year Of His Death But FAR more important than merely discovering that fact this book will fully elucidate and crush all confusion concerning what a person soul MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories So sit back and hold on because this book s message is going to be a life changing ride **I Am with You** Ann

Spangler,2015-08 God is greater than you think Many people feel both drawn to God and afraid of him We are flawed so how can we feel close to a perfect God when we are incapable of pleasing him Fortunately God has revealed truths about himself in Scripture that can untangle our confusion In this daily guide Ann Spangler resurrects old fashioned words like holiness omnipotence omniscience and omnipresence Far from boring us these words when excavated for their biblical meanings paint a thrilling vision of God that can help us experience him more deeply *Rescued Heart (The Matriarchs Book #1)*

Angela Hunt,2025-10-07 In Ur of the Chaldees Ishcah faces the daunting prospect of marrying Abram a man she has never once met in her thirty nine years and a man who renames her Sarai on their wedding day Their union arranged since childhood tests her as she grapples with uncertainty about her future and Abram s true nature including his devotion to an unseen God entirely unlike the idols she has worshipped all her life When Abram reveals that Adonai has directed them to leave the family Sarai chooses to place her trust in him and to follow his God even though she is unsure of Adonai s promise to make them a great nation As the years pass without a child Sarai wrestles with doubt and faith within her marriage Her skepticism that Abram s and her descendants will outnumber the stars grows with time and only a miracle can prove Adonai s faithfulness to His word A master of biblical research Angela Hunt delivers a series starter that transports readers to the Old Testament world of Sarah the first Matriarch and a witness to the steadfast covenant of God **Jewish Child Bulletin**

Miller,2016-07-01 An Objective Look at Some of the Bible s Strangest Stories Genesis offers helpful answers to the biggest questions in life Why are we here What is God like Why so much evil and pain But today s readers often get tripped up by the ancient writing style and wonder Did Moses really write Genesis Many of the reports seem so odd are they scientifically accurate Does that matter How does Genesis relate to other ancient accounts of creation the origin of evil and the great flood Stephen M Miller a seminary educated news journalist presents viewpoints from a wide range of Christian Bible experts

along with gorgeous graphics and a touch of dry humor Whether you re a Bible newbie or a longtime reader this visual stroll through the first book of the Bible will help you bridge the gap between then and now *God's Person and Eternal Plan*
Fred Beck, 2024-07-02 Because the book is based on selected stories from the entire Bible readers discover many insights of the person of God and how He patiently and lovingly works in and through His people Moses asked God Show me Your Glory So the Lord concealed by a cloud passed by Moses and revealed His moral attributes holy righteous compassionate gracious and abounding in loving kindness and truth integrity to His own moral character God also forgives iniquity perversity transgression rebellion against God and His morals God forgives sin missing the target God sets for us God is slow to anger yet He will punish the guilty those who refuse to repent and to acknowledge Him as Savior and Lord The author seeks to tell the stories in ways that are true to Scripture all stories have many quotes from Scripture The author also seeks to read between the lines and to reveal history settings beliefs and emotions Such things help anchor the stories to real life and enable readers relate God s stories to their own lives While reading the OT stories readers will experience mini revelations as God interacts with different people situations and cultures Thus readers are prepared for God s full revelation of Himself in Jesus As readers enter the NT stories of Jesus they grow close to Him Then the crucifixion resurrection and ascension of Jesus makes many ask What now Then the Holy Spirit bursts on the scene just like Jesus promised As readers continue through the stories of Acts and Apostles they discover the spread of faith and the growth of the church Those Bible stories become pieces of a big puzzle revealing the person of God and His eternal plan for us That realization begins to take over the readers hearts and minds The author prays that this book will be discovered by Christians whose spiritual growth has been stopped due to their confusion and fear brought about by the growing culture of unbelief in our nation The church is under siege across the world However God is God and His word guarantees victory
