seeks to answer two major questions which still divide and puzzle commentators with respect to the speech in Athens in Acts 17 16 34 What is the relationship between the speech s main part and its Christian conclusion And what is the relationship between the speech s message and Greek philosophy Through an in depth analysis of the religious and philosophical context alluded to in Acts 17 and a careful verse by verse examination of the speech the author proposes a new answer to both of these questions She suggests that the so called Christian appendix which has long seemed totally disconnected from the rest of the speech and lacking historical verisimilitude in light of the audience depicted by the narrative is actually the climax of the argument of the speech and would have been more easily understood by a Greek audience than has been thought in the past **Wisdom Poured Out Like Water** J. Zurawski, 2018-10-22 This collection presents innovative research by scholars from across the globe in celebration of

Gabriele Boccaccini's sixtieth birthday and to honor his contribution to the study of early Judaism and Christianity. In harmony with Boccaccini's determination to promote the study of Second Temple Judaism in its own right, this volume includes studies on various issues raised in early Jewish apocalyptic literature, e.g., 1 Enoch, 2 Baruch, 4 Ezra, the Dead Sea Scrolls, and other early Jewish texts from Tobit to Ben Sira to Philo and beyond. The volume also provides several investigations on early Christianity in intimate conversation with its Jewish sources, consistent with Boccaccini's efforts to transcend confessional and disciplinary divisions by situating the origins of Christianity firmly within Second Temple Judaism. Finally, the volume includes essays that look at Jewish-Christian relations in the centuries following the Second Temple period, a harvest of Boccaccini's labor to rethink the relationship between Judaism and Christianity in light of their shared yet contested heritage.
