Adobe Creative Suite 4 Design Premium Classroom in a Book Adobe Creative Team, 2010-04-22 This thorough self paced guide to Adobe Creative Suite 4 is ideal for users who want to learn the key features of Adobe's stellar collection of professional design tools Readers are first given a brief program overview of the Design Suite that highlights common features and includes a section on cross media workflows Then readers will get up to speed with each software application using step by step project based lessons with the lessons in each chapter building upon the reader's growing knowledge of the programs Projects include designing a logo and creating basic assets creating a brochure prototyping a basic Website creating interactive Flash and PDF documents communicating through mobile devices and submitting work for collaborative reviews Review questions at the end of each chapter wrap up each lesson to help reinforce the skills learned in each chapter All of Peachpit's eBooks contain the same content as the print edition You will find a link in the last few pages of your eBook that directs you to the media files Helpful tips If you are able to search the book search for Where are the lesson files Go to the very last page of the book and scroll backwards You will need a web enabled device or computer in order to access the media files that accompany this ebook Entering the URL supplied into a computer with web access will allow you to get to the files Depending on your device it is possible that your display settings will cut off part of the URL To make sure this is not the case try reducing your font size and turning your device to a landscape view This should cause the full URL to appear

HWM, 2008-07 Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in depth reviews *Adobe Creative Suite 4 Bible* Ted Padova, Kelly L. Murdock, 2009-06-15 As one of the few books to cover integration and workflow issues between Photoshop Illustrator InDesign GoLive Acrobat and Version Cue this comprehensive reference is the one book that Creative Suite users need Two well known and respected authors cover topics such as developing consistent color managed workflows moving files among the Creative Suite applications preparing files for print or the Web repurposing documents and using the Creative Suite with Microsoft Office documents More than 1 200 pages are packed with valuable advice and techniques for tackling common everyday issues that designers face when working with programs in the Creative Suite *Real World Print Production with Adobe Creative Suite Applications* Claudia McCue, 2010-04-14 Contrary to popular belief print is not dead With all the interest in online publishing here in the 21st century it's easy to lose sight of the fact that information is still widely disseminated through the good old medium of print The advent of desktop publishing granted new levels of power and control to the layout artist and graphic designer but it hasn't made the process of getting the perfect print foolproof Sometimes managing the disparate elements of fonts images colors and more while dealing with the quirks of page layout applications makes even the bravest designer and production editor long for the hands on days of moveable type Creating a great layout on your monitor is only half the battle how do you make it work on paper Print production expert Claudia McCue takes on the challenge of putting ink to paper offering clear

authoritative guidance to print professionals and anyone else who has been frustrated by the obstacles of getting electronic documents to print perfectly This new edition of Claudia s classic book is now fully Adobe centric and shows readers how to use the different applications in the Adobe Creative Suite 4 together to create and produce great print documents Use Photoshop and Illustrator to create raster and vector images and combine them with text in InDesign to create eye catching yet readable page layouts Learn the ins and outs of fonts and gain a better understanding of how ink and paper work together Finally preflight or prepare your job for submission to a printer to make sure the printing process goes off without a hitch
