The Conceptual Foundations of Investing Bradford Cornell, Shaun Cornell, Andrew Cornell, 2018-09-19 The need to know essentials of investing This book explains the conceptual foundations of investing to improve investor performance There are a host of investment mistakes that can be avoided by such an understanding One example involves the trade off between risk and return The trade off seems to imply that if you bear more risk you will have higher long run average returns That conclusion is false It is possible to bear a great deal of risk and get no benefit in terms of higher average return Understanding the conceptual foundations of finance makes it clear why this is so and thereby helps an investor avoid bearing uncompensated risks Another choice every investor has to make is between active versus passive investing Making that choice wisely requires understanding the conceptual foundations of investing Instructs investors willing to take the time to learn all of the concepts in layman's terms Teaches concepts without overwhelming readers with math Helps you strengthen your portfolio Shows you the fundamental concepts of active investing The *Conceptual Foundations of Investing* is ultimately for investors looking to understand the science behind successful investing

Investment Analysis & Portfolio Management Frank K. Reilly, Keith C. Brown, Brindha Gunasingham, Asjeet Lamba, Dr Frank Elston, 2019-11-19 This first Asia Pacific edition of Reilly Brown's *Investment Analysis and Portfolio Management* builds on the authors' strong reputations for combining solid theory with practical application and has been developed especially for courses across the Australia New Zealand and Asia Pacific regions. The real world illustrations and hands on activities enhance an already rigorous empirical approach to topics such as investment instruments, capital markets, behavioural finance, hedge funds and international investment. The text also emphasises how investment practice and theory are influenced by globalisation.

Litigation Services Handbook Roman L. Weil, Daniel G. Lentz, Elizabeth A. Evans, 2017-03-30 The comprehensive bible for financial experts providing litigation support. The *Litigation Services Handbook* is the definitive guide for financial experts engaged in litigation services. Attorneys require financial experts now more than ever and this book provides the guidance you need to provide a high level of service as witness and consultant. Enhance your litigation skills as you delve into the fine points of trial preparation, deposition and testimony, project authority under examination and hold up to tough questions under cross examination. Fraud investigations are a major component of litigation support services and this book delves deep into Sarbanes Oxley compliance and other relevant topics to give you a foundational understanding of how these cases are prosecuted and your role as the financial services expert. This updated sixth edition includes new coverage of technology's role in the financial expert's practice and the focus on investigations provides practical insight from leading experts in the field. From the process itself to proving damages, this indispensable reference covers all aspects of litigation services. Providing litigation support requires more than just your financial expertise; you also need a working knowledge of relevant case law and a deep understanding of both the litigation process and the finer points of courtroom appearances. This book provides the insight and perspective you need to provide superior service to attorneys and their clients. Understand your role in trial preparation and testimony presentation. Provide authoritative responses to direct and cross examination. Examine and analyze Sarbanes Oxley rulings. Lend financial expertise to fraud investigations. The growing demand for financial expert litigation services has created a niche market for CPAs, creating a lucrative opportunity for qualified accountants who also possess the specialized knowledge the role requires. The *Litigation Services Handbook* is THE essential guide for anyone involved in financial litigation.
