At The Cross Jesus In Love:

The Power of Love - with Stations of the Cross J A Russell, 2014-11-05 The well known Catholic tradition of The Stations of the Cross focuses our attention on the immense love Jesus has for us by undergoing His Passion and Death By His Cross Jesus united us to His Father our Father bringing us to know His healing and Light as we journey with Him throughout our ordinary everyday lives This book with meditations pauses at each Station made by Jesus contemplating the depth of His love while mindful of all He gained for us through His powerful Resurrection **My Love for Jesus Christ** Carol Miller, 2006-06 **The Cross of Christ** John Stott, 2006-08-31 Why should the cross an object of Roman distaste and Jewish disgust be the emblem of our worship and the axiom of our faith And what does it mean for us today In this thoughtful comprehensive study of Scripture tradition and the modern world John R W Stott brings you face to face with the centrality of the cross in God s plan of redemption **God's Love of Love Songs** Donnie Ralph Rieser Jr., 2011-10-26 New classic religious rock songs that had never been sung Original work that had never been heard before The songs will go with all types of religions and denominational churches *Contemplations and meditations on the Passion and Death, and on the Glorious Life of Our Lord Jesus Christ, according to the method of Saint Ignatius. Translated [from vol. 4 of C. M. A. de Brandt's "Méditations"] ... by a Sister of Mercy. Revised by a Priest, S.J. [i.e. Frederick Hathaway.] 2nd edition* Charles Michel Alexandre de BRANDT, 1870 [The Wisdom of the Cross in a Pluralistic World - Volume 1](#) A.A. V.V., 2023-06-05 From 21 to 24 September 2021 the IV International Theological Congress of the Passionists took place in Rome at the Pontifical Lateran University on the theme The Wisdom of the Cross in a Pluralistic World It took place in the context of the Jubilee Celebrations for the Third Centenary of the Foundation of the Passionist Congregation and aims to deepen the topicality of the Cross in the context of the many contemporary areopagi During the four days more than 100 speakers scholars and specialists from many academic and cultural circles with an international reach from Roman universities as well as from many nations of the various continents took turns The rich scientific cultural and spiritual experience of the Congress is collected in three volumes over 1 100 pages the first of which has also been translated from Italian into four languages English French Spanish and Portuguese [Covenant People - CTL - 2009](#) , *God Is on the Cross* Dietrich Bonhoeffer, 2012-09-28 These forty stirring devotions will guide and inspire readers as they move thematically through the weeks of Lent and Easter encountering themes of prayerful reflection self denial temptation suffering and the meaning of the cross Passages from Dietrich Bonhoeffer s letters and sermons provide special encouragement as readers prepare themselves spiritually for Holy Week and Easter Sunday Supplemented by an informative introduction to Bonhoeffer s life and a Scripture passage for each day of the season these daily devotions are moving reminders of the true gift of Christ on the cross **The Reckless Love of God** Alex Early, 2015-08-25 Assurance of God s Personal Love for Us The startling truth about the love of God has lost its potency It is not a passionless theological idea It is a real love that feels and even suffers

Whether you grew up in a Christian home and have forgotten this essential truth or you never knew it in the first place we all need to be reminded and assured that God's love is real and personal. The Reckless Love of God is about pulling readers in close and asking if they have really considered what it means to say Jesus loves you. Nothing changes lives and grows the church faster more effectively and more thoroughly than being captivated by this reality. But the love of Jesus is not just a means to another end. Receiving the love of Jesus is the end itself. Includes end of chapter questions for individual or group use.

What Can Love Hope For? William Loader, 2020-10-06. This book raises thorny questions about the themes of faith, hope, and love. Is God really like Jesus or was Jesus a temporary exception to the way God usually is? Was there forgiveness before the cross? Will God one day stop loving? What do we do with the fact that the hopes they had for change were not fulfilled? What happened to good news for the poor? Why did some replace it with something else? Does Christian freedom mean we no longer need the Law? Were early responses to rejection always healthy? Does the Bible say all we need to know about sexuality? It responds to what the author observes is a widespread hunger and interest for discussions which identify and tackle some of the troubling themes of New Testament interpretation in ways that are not defensive but yet are also supportive of faith, especially an informed faith. It draws together the fruit of over half a century of scholarly research and teaching.
