

athenaClinicals Results Interface Guide

Congratulations! A results-only interface between your local facility and athenahealth is now live in your athenaSuite. Our electronic interfaces can significantly decrease test volume, helping you to meet MRI requirements, shorten the amount of time it takes to get results to your practice, and provide you with accurate status that can be used for tests in athenaSuite. This document shows information about the core functionality of your interface(s).
